

Talent, Miners Nudge Out Rogues, Boxers In Wednesday Eve Tilts

The Rogues-Talent game at the high school field Wednesday night was a case of every man for himself as both teams turned in a scoring spree which saw the Talent Firemen emerge with a 16 to 15 victory.

In one of the best games seen in a long while the Miner Press had a close call at the hands of the Pine Boxers and finally came out on top with a 6 to 3 tally. The Boxers scored two runs in the fourth inning and neither team could cross the platter until the seventh when Woodward and Jandrea of the Boxers lost their temper and the Printers took advantage.

Daugherty Saves Nine From Shut-Out With Loaded - Base Homer

Nine runs in the third inning, when Bill Ausland was knocked from the box, aided in giving the Dodgers a 16 to 4 victory over the Rogues at the high school field Friday night.

Johnnie Daugherty, Rogues manager, kept his team from going scoreless when he rapped out a home run in the sixth with the bases loaded.

In the other half of the double-header, Darby O'Toole, in the box for the Miner Press, had a tough job on his hands to come out with a 4-3 win. Two hits and a Talent error enabled the printers to put across three runs in the final frame.

ized. The westerners are pushing through legislation which will enable settlers on projects to resume payments to the government and enable them to save their holdings. The plan involves, among other means to aid the settlers, a reduction in interest rate.

Junk dealers can continue bargaining for old rusty iron and abandoned farm machinery around the barn for the administration has thrown cold water on the proposal of Senator Schwelienbach, Washington, to place an embargo on shipping scrap iron to Japan, which is regarded as a munition of war. Secretary of State Hull objected to the senate taking up this matter until it comes to a decision on the President's neutrality program. This means scrap can be exported to Japan for another six or seven months, at least. Japan continues to be the largest buyer of northwest lumber and foodstuffs.

Sheepmen have obtained something out of the congress. After hearings and debates extending for a year and agitation which started long ago, congress has enacted a "truth-in-fabric" measure. When an article is advertised as virgin wool it must be virgin wool and not reworked wool. Opposition has come from manufacturers who mixed reprocessed wool and offered the article as made of virgin wool. The new law will protect the consumer from being imposed on and is expected to increase the market of growers.

Reason congressmen are trying to wind up by the end of this month is because a congressman pays rent by the month in advance. If the session runs to August 5, as some predict, they must pay for all of August. Average congressman pays between \$100 and \$200 a month, none less than \$100 and many more than \$200. Since this session started rents alone have cost members about \$1500 to \$2000. The President would like to try fishing in Rogue river when he visits the Pacific coast next month. He will take along his tackle "in case". Secretary of Interior Ickes wants to pay \$9000 a year for chief attorney for Bonneville to a young lawyer only a few years out of school. An assistant lawyer was drawing \$150 a month a year ago. Postmaster General Jim Farley does not share the apprehension of Mr. Roosevelt and his fellow cabineteteer, Secretary of State Cordell Hull, that there will be a war in Europe in August. Mr. Farley left for the continent this week accompanied by his two daughters, planning a return to America in mid-September.

Ashland-Talent Nine To Trip to Klamath

The Ashland-Talent baseball nine will travel to Klamath Falls next Sunday where they will clash with the Klamath Sons in the second game between the two teams this season. In their first encounter, the A-T's put on a desperate seventh inning rally which saw them march to a 10 to 7 victory.

DiSordi will probably be called on to do mound duty and Dick Porterfield, obtained from Medford in exchange for Virgil Haynes, will probably see action.

TO CONSOLIDATE LANDS
WASHINGTON, D. C. — (Special)—Now on the desk of President Roosevelt for his signature is the bill, passed by house and senate, for consolidation of holdings of the government in the O&C and Coos Bay wagon road land grants. This provides for the exchange of private and state lands to effect consolidation. The measure has been under discussion for more than a year.

SAFETY SCHOOL ENDS
A water safety school conducted by officers and enrollees of the Medford district CCC was concluded at Twin Plunges Saturday night with a water carnival, diving exhibitions, canoe events, games and an outdoor dance.

This state now requires brand inspection of asses before shipment. We understand no exception will be made if Len Hall of Ashland when he goes out by rail—astride the rail.—Weston Leader.

Every time we've just about succeeded in forgetting the budget, somebody ups and says that it can't be balanced.—Weston Leader.

Earl Allen, who is employed near Klamath Falls, spent the week-end at his home.

Sponsor-Active Club Melee Ends in Tie As Dodgers Drop Caves

When the smoke of an undetermined number of runs, hits and errors had cleared away at the high school ball park Tuesday night, the Sponsors' and Active club's nines found themselves in a tie in the first softball game of the evening.

Bert Miller and Ebe Dunn were present on the field to steal the show from the hard-working players.

Charley Warren pitched the Dodgers to an 8 to 7 win over the Cave Shop in the second game.

The score was tied in the first of the seventh when Warren walked a Caveman but Baughman, Dodger catcher, hit a double and Jones got a single which put the game on ice.

A-T's Come Through To Dump Gold Hill

The Ashland-Talent baseball team journeyed to Gold Hill last Sunday and came home on the paying end of a 7 to 5 score after a hard-fought battle which saw the Beavers out in the lead from the fourth to the eighth inning.

It was triples by Don Montgomery and Ed Leaming and a sizzling single by Jones, plus a Gold Hill error, that put the game in the bag for the A-T's.

Combest was relieved by DiSordi in the fifth and Powhida went the distance for Gold Hill.
