

Dorris Lumberjacks Upset A-T Hope For Playoff Chance 16-5

The Dorris Lumberjacks blasted three Ashland-Talent pitchers all over the lot at the local high school baseball park last Sunday and went on to win 17 to 5.

Things were going alright for the A-T's up to the sixth inning as they were leading 4 to 3 but DiSordi tired. Alviso and Dito each lifted the ball over the left field fence for a double and Goldbar got a single before DiSordi was removed. McAbee relieved the big right-hander only to have Murray lift the next pitch out of the lot, scoring two ahead of him.

In the eighth Combest was called on for mound duty while one man was on first. During the change of pitchers he stole second but was called back. This aroused the ire of Shaw, Dorris third base coach, who rushed towards the home plate to start something and got what he was looking for when D. Montgomery, A-T relief fielder, clipped him on the chops. A number of spectators rushed onto the field but the scrap was brief with no damage to anyone.

Softball Clowns Coming!

THE world's craziest softball team—the Negro Ghosts of Sioux City, Ia.—will play an exhibition game in Ashland starting at 8 o'clock Wednesday night, Aug. 16, at the high school field. They will meet the Miner Press, which outfit will be strengthened by the addition of Parker Hess, Arch Barksdale and Bill Tallis, outstanding league players. The Negro Ghosts have received wide acclaim in San Francisco and other coast points, where they are said to have panicked the fans with their antics, clowning, singing and dancing while playing at top speed. They seldom lose, despite their fun, and a shadowball exhibition in slow motion will be one of their features here. Shown above, in top picture, left to right, are Babe Favors, Pee Wee Williams and Cool Papa Johnson, while in the lower picture Oats Fields is shown reaching out after one in illustration of their playing ability as well as showmanship. Although no softball passes will be honored at the gate, admission price will be nominal. From here the Ghosts will go to Klamath Falls for their only other southern Oregon appearance.

Rogues and Elks Deal Pair of Playoff Upsets

Arch Barksdale pitched the Rogues into a surprise 11 to 2 win over the Dodgers in the opening game of the playoffs at the high school field Monday night. Although he fanned but one man, only thrice were Dodgers able to knock the ball out of the infield where it was caught by an outfielder on each occasion.

Dodgers100 00 1—2 3 4
Batteries: Barksdale to Daugherty; Harris, C. Warren to L. Warren.

In one of the most exciting games seen this season the Elks stole a 4 to 3 win from the Pine Boxers in the other game of the double header. Going into the seventh inning, the Boxers were leading 3 to 0 but a string of hits, walks and errors gave the Lodge-men the necessary runs to tie the score. In the extra inning the BPOE used three hits to get the winning run while the Boxers collected one hit but failed to score.

HINDSIGHT ON SPORTS

By I TOLD YOU SO

OUR nomination as heroes of the Southern Oregon Baseball league goes to gallant Gold Hill, the team that has played heads-up ball with but one or two exceptions all season although losing 13 straight games—every league start.

What is more, the Gold Hill Cement Makers have lost most of their battles by one and two-run margins, only two of their games resulting in slaughters common to other league nines. Gold Hill, too, has been annotated with more than a share of tough breaks but the lads always turn in a hustling, bang-up game that is interesting and inspiring.

It would be a credit to some of the winning teams in the loop if they had the stamina, the sportsmanship and the gameness of the Gold Hill boys. They are one of the most valuable teams in the circuit this year because they can take it and take it gracefully. Let's tinkle one to the Gold Hillites—if the house'll buy!

Willie Hulén, the famous "out 9-3" ex-ball player now thrashing his way through the bushes with a typewriter at a Mail Tribune sports desk, has been recruiting members in the grounded-out-to-right-field club, of which he is founder. It was Hooligan—er, Hulén—who tried to introduce softball baselines into the national pastime so he wouldn't have to resign himself to creeping age and slower running.

Please, won't somebody somewhere ground out to center field so Willie can get his mind back on his work? Or better yet, ground out to left and really make him jealous?

Friday Games See Dodgers, Rogues Win

Kenny Harris, on the mound for the Dodgers, pitched the second no-hit, no-run game of the current softball season at the high school field Friday night as the Dodgers took a 12 to 0 win over the Elks. Four times on walks, once on an error, and once by fielder's choice were the only times the Elks were able to get on base and each time heads-up playing on the part of the Dodgers prevented a score.

The game was called at the end of the sixth inning as the time rule went into effect.
Score by innings: R H E
Dodgers122 043—12 9 1
Elks000 000—0 0 4

Two bad umpire's decisions rendered to the Miner Press were enough to lose the game to the Rogues by a 7 to 12 score. Eberhart, Rogues' first sacker, was the heaviest hitter of the game when he collected a single, a double and a triple out of four trips to the plate.
