**Carter and Wilson To Go Rematch Monday Eve as Feature Battle**

Marshall Carter and George (Wildcat) Wilson will clash in a rematch in Medford armory next Monday night, according to an announcement of Promoter Mack Lillard. It will be a continuation of their thrilling match of last Monday when Carter was tossed from the ring by a Wilson shoulder block and was disabled for the night. Both boys are strictly legitimate wrestlers and among the fastest in their weight class. Wilson points all his maneuvers toward his terrific flying tackles and sonnenbergs which Carter successfully dodged last Monday. Carter's standing leg split combined with his all-around general wrestling ability makes him a feared man.

Taro Ito, 200-pound Japanese, will be making his first appearance in the Medford torture chamber when he takes on Sgt. Bob Kennaston in the middle bout. Ito has been wrestling in the south and east where he has proven himself to be a tough opponent for any type of matman and in coming to Medford he will be making his first appearance in Oregon.

Joe Smolinski, the Polish Pa-looka, will return to face Frankie Hale of Los Angeles in the opener. Hale made his first showing last Monday and didn't do so well with Tony Morelli but thinks he can tame the hard-boiled Smolinski. This bout goes to the mat at 8:30 p. m. promptly.

Blonde Yvonne of the New Folies Bergere at Treasure Island is considered one of the best dressed girls in Paris. **Koll Kills Medford Hope in Sunday Rout**

After being moved from the pitcher's mound to the outfield, Lefty Mike Koll of the Crescent City Merchants blasted out a home run with two of his teammates aboard to break up a 10-inning 7-7 tie with Hoosier Hoffard's Medford Craters and the coast nine won the first game of their Shaughnessy playoff series 10 to 7 at Medford Sunday. Koll's hit was a 440-foot drive to right centerfield.

At the same time Red Tolbert's Dorris Lumberjacks were handing Grants Pass Merchants an 8 to 2 beating in the California city and in doing so served notice that they are to be reckoned with until the season ends.

Sunday Medford goes to Crescent City and Dorris journeys to Grants Pass.

**League Ball-up Comes When Crescent City Official's Mind Clicks**

Good memory on the part of Bob Adler, president of the Crescent City Merchants, California entrants in the Southern Oregon league, has thrown the local baseball situation into a tangled mess.

Adler states that it was decided at a meeting in Ashland before the season started that the team finishing in first place would automatically be declared the pennant winner and the Shaughnessy playoff would merely extend the season and give fans more baseball. Adler consulted Austin Frazier, loop secretary, and Frazier remembered the decision at the Ashland meeting. So the four top teams are hard at work on the playoffs for exercise and, as aforementioned, the pleasure of fans while Crescent City appears to have won the title.

The coast team ended the season with 11 wins and three losses. Grants Pass was close behind with 10 wins and three defeats. One of Grants Pass' games was declared to be no contest and ordered replayed, which has not been done because both Grants Pass and Glendale, other nine in the argument, believed nothing could be gained from a replay and that the Shaughnessy would settle everything. Now Grants Pass probably will clamor for the replay and, in the event the Merchants win, will meet Crescent City for the league crown.

Although no championship is involved in the playoffs, the winner this year may receive a trophy purchased by League President Dom Provost which he will present to winner of the series.
