LOOK AT YOUR TIRES MORE OFTEN
FOR *Greater Safety*

Don't take chances with WORN OUT TIRES

When you drive at high speeds you entrust your life to the safety of your tires. Make sure you drive on *safe* tires—they cost only a little more.

CENTURY TIRES

are Safer, Stronger,
Longer Lasting

Century Tires are built to stand the punishment that today's high speeds and modern brakes inflict. Their wide flat treads of Densite Rubber wear slowly and evenly in any service. Their High-Flex Cord retards destructive inner heat. Their sidewalls are strengthened by Safety-Lock construction against constant flexing strain. In no other tire do you get so much safety and service for your dollar. See Century Tires before you buy.
