HERBERT K. HANNA

Was born in Jacksonville in 1882, where I have resided ever since but have maintained my law office at Medford for approximately 20 years. Have practiced law for the past 34 years, having a general practice covering probate, criminal, civil and equity trial work.

Upon graduation from college I studied law in the office of and under the direction of my father while he occupied the circuit bench in this district and was required to attend and follow the actual trial of the cases conducted in his court from the institution of the action until final judgment and all of the court's rulings upon the pleadings and evidence and instructions of law to the jury were carefully analyzed and explained to me. All briefs submitted to the court by the attorneys were given me for study and I had to view all law points from the viewpoint of both plaintiff and defendant and cases appealed to the Supreme Court were given special study.

When my father resigned from the bench in 1910 we associated in the law practice as Hanna & Hanna until father's death and upon Judge Calkin's retirement from the bench Judge Calkins and I associated as law partners under the name of Calkins & Hanna until Judge Calkins moved to California. I have had no other partnerships.

I enjoy good health. I am of the Christian faith, but am affiliated with no particular church.

**Scout Training Series
Announced for May**

Two nights of training for Boy Scout leaders and one night for Cub leaders in the Ashland district were announced by Theo J. Norby, district Boy Scout chairman, at the regular monthly meeting of the scout committee held in the Lithia hotel Monday night. "Both courses," said Norby, "are open to all interested adults in Ashland and Talent, and there will be no fees attached to either training session."

The course for scout leaders and committeemen will be held in the city hall at 7:45 p. m. May 14 and 24 and will cover the field of troop

management, outdoor programs, troop morale building and handling of a troop.

The training for Cub leaders will be held at 7:45 p. m. May 16 in the city hall and will cover the field of Cub pack organization and management. Parents of all Cubs and parents of boys of Cub age are most welcome to attend, according to Norby. Kenneth Wells, scout executive from Medford, will assist in both training courses and there will be ample time for discussions and demonstrations.

Ralph Billings

REPUBLICAN CANDIDATE
FOR COUNTY JUDGE

Son of pioneers. Family consists of wife and son; attended local school and Oregon State College; farmer; been active in civic affairs, including church, Red Cross, 4-H Club, YMCA, Grange and Boy Scouts. Have endeavored to be fair to all sections of the county.

A few years ago county warrants were offered for ten or more per cent discount. At one time the warrant indebtedness reached over \$300,000. Interest rate was reduced from 6 to 5 and then to 4 per cent. Today Jackson County is on a cash basis without any increase in levy. Net bonded indebtedness decreased to about \$15,000. Many things have contributed to make this possible. Confidence was restored. People have been able to pay their taxes more regularly. Our discounts for cash have been greater. Our income from Federal Government has been continued, especially the sum in lieu of taxes on the former railroad lands.

Many tracts that came to the county through tax foreclosures have again been placed on the tax roll, a total of several thousand dollars per year.

The road program which was for several years only one of poor maintenance through lack of finances, has now been able to expand and build a few miles of permanent road in several different sections of the county.

The welfare program has grown during the years until it is nearly 100,000 annually.

The foregoing could not have been made possible by any one person, but represents the best efforts of those who have been members of your court during the last few years.

I have enjoyed my seven years work.
