Civic organizations are urging an immediate cleanup of all cans, debris, garbage. To enable us to fully cooperate in this work we ask that residents phone us, whenever possible, telling us where and when to send a truck for this work.

To assist in getting this done as reasonably as possible and to assist Ashland residents, we will cut our rates of hauling during the next week by at least one-third.

Phone 3811, the Crosby Texaco Station, or 8201, my residence, and we will try to be there when you want us.
