Electric Cooking Is at Its Best During Hot Summer Weather . .

At no other time does electricity in the kitchen mean so much as during hot summer weather, when food preservation and preparation becomes a real problem. Only through electric refrigeration can foodstuffs be preserved and protected, and electric cookery keeps discomfort in the kitchen to a minimum. Plentiful quantities of clinking ice cubes, a variety of frozen desserts all add to the appetizing pleasures of summer meals, and well-placed electric fans can loose cool breezes during warm afternoons and evenings. Electricity, in many ways, adds to summer comfort and pleasure. See your dealer now!

Miller Reelected To County Demo Post

V. D. (Bert) Miller, well known Ashland real estate man, was re-elected secretary of the Jackson county democratic central committee at their organization meeting in Medford Saturday.

Scott Hamilton of Central Point was elected chairman to succeed Ward Spatz, who has been county chairman for the last two years and who now is being projected for the state chairmanship.

Jay Terrill of Talent was elected vice chairman; Dr. Charles T. Sweeney, Medford, was re-elected treasurer; F. R. Marshall, Medford, was elected congressional committeeman and Mrs. E. D. Anderson, Ashland, was elected congressional committeewoman; A. E. Reames, former US senator and Medford attorney, was re-elected state committeeman and Mrs. Reames was chosen to fill the new post as state committeewoman, and William E. Phipps, E. B. Poyer, Grace Hamaker, Della Rose and Nora E. Walter were named on the resolutions committee.

E. B. Poyer, democratic candidate for county commissioner, was among speakers at the meeting.

● Hjalmer Kannasto of Klamath Falls visited here last week-end with his parents, Mr. and Mrs. J. Kannasto.

● Mr. and Mrs. O. N. Wray made a trip to Klamath Falls Sunday.
