"No Child of Mine will ever get WORMS!"

That's what YOU think, Mother!

Nobody is immune to round worms. Children can pick up this nasty infection from uncooked vegetables or bad water; from other children or dogs.

Here are some of the danger signs that may mean living, crawling round worms are inside your child: Fidgeting and squirming. Uneasy stomach. Itching nose and seat. Restless sleep. Biting nails.

If you even suspect that your child has round worms, get JAYNE'S VERMIFUGE right away! JAYNE'S is the best known worm expellant in America. It is backed by modern scientific study, and has been used by millions, for over a century.

JAYNE'S VERMIFUGE has the ability to drive out large round worms, yet it tastes good and acts gently. It does not contain santonin. If there are no worms it works merely as a mild laxative. Ask for JAYNE'S VERMIFUGE at any drug store.

MOTHER'S DAY OUT  
(See Recipes Below)

Was there ever a homemaker who didn't wish now and then that she could "play hooky" for one afternoon without the dire consequences of leaving her family to shift for itself at meal time? It can be done and it's a wise homemaker who arranges her schedule during the pleasant summer weather, to allow for a few hours of leisure, here and there.

Plan a meal, for "Mother's Day Out," that will cook without watching while you're away; casserole dishes that require long, slow cooking are ideal. With a simple salad dessert and beverage, you can have a highly satisfactory dinner.

Or perhaps a menu that permits beforehand preparations will suit you better. Select, for it, foods that can be made ready (except for a few last-minute touches), hours ahead of time. Make use of canned and packaged foods, too, that will permit you to serve a tempting evening meal with a minimum amount of time and effort.

Here's a menu that's quickly and easily prepared, yet so delicious that it's bound to please even a critical family.

- Menu for a Quick Meal.**  
Scrambled Eggs With Creole Sauce  
Mixed Green Salad  
Hot Rolls Strawberry Jam  
Fresh Fruit Cookies  
Beverage

The scrambled eggs with creole sauce are easily prepared and they're a delicious basis for a very quick meal. To save precious time at the very last moment, collect and measure ingredients beforehand, and, if you like, prepare the sauce ahead of time, to be kept in the refrigerator and reheated just before serving.

Salad greens can be washed, picked over and carefully dried, hours ahead of time, then stored in the vegetable crisper in the refrigerator until you are ready to use them.

Rolls, from yesterday's baking, or fresh from the bakery, can be buttered, and placed in a shallow pan ready to be popped into the oven for quick heating. (Be sure they're kept covered during the afternoon, to prevent drying out.)

For dessert why not serve fresh pineapple, which is better by far when it's peeled and cut early, generously sprinkled with confectioners' sugar, and allowed to mellow and chill before serving.

- Creole Sauce.**  
1 No. 2 can tomatoes  
1/2 cup celery (diced)  
2 tablespoons green pepper (minced)  
1 tablespoon onion (minced)  
1 teaspoon salt  
Few grains cayenne pepper  
2 tablespoons cornstarch  
4 tablespoons water

Combine vegetables and seasoning and cook for about 15 minutes, or until the vegetables are done. Mix cornstarch with water, and add to the sauce. Cook for about 10 minutes, or until sauce has thickened.

- Old Fashioned Ginger Creams.**  
(Makes 5 dozen)  
3/4 cup shortening  
1 cup sugar  
1 egg  
3/4 cup molasses  
2 1/4 cups all purpose flour  
1 teaspoon soda  
1/2 teaspoon salt  
1 tablespoon ginger  
1 teaspoon cinnamon  
Granulated sugar

Cream the shortening thoroughly, add the sugar gradually and blend well. Beat in the egg and molasses. Sift the ingredients together and add to the creamed mixture. Chill the dough over night in your refrigerator. Shape it into small balls and roll each ball in granulated sugar. Place 2 1/2 inches apart on a greased cookie sheet and bake in a mod-

erately hot oven (375 degrees) for approximately 12 minutes.

- Scrambled Eggs.**  
(Serves 5)  
3 tablespoons butter  
6 eggs (slightly beaten)  
1/2 cup milk  
3/4 teaspoon salt  
Dash pepper

Heat butter in frying pan over low heat. Combine eggs, milk, and seasonings and pour into frying pan. Mixture cooks, stir with a spatula, forming creamy flakes. Cook for about 5 minutes or until eggs are firm but tender.

- Summer Salad Bowl.**  
(Serves 6)  
1 head lettuce  
1 cucumber (unpeeled) (sliced)  
1 green pepper (cut in thin rings)  
3 fresh tomatoes (cut in wedge-shaped pieces)  
1 bunch radishes (sliced)  
6 green onions (cut in strips)  
French dressing

Prepare and chill vegetables thoroughly. Line salad bowl with large crisp leaves of lettuce and shred remaining lettuce rather coarsely. Place all vegetables in salad bowl and toss together with a well-seasoned french dressing. Serve at once.

- Graham Refrigerator Rolls.**  
(Makes about 4 dozen)  
2 cups milk (scalded)  
1/4 cup strained honey  
1/4 cup shortening  
2 teaspoons salt  
2 cakes yeast softened in 1/4 cup lukewarm water  
2 eggs (well beaten)  
5 cups flour  
2 cups whole wheat or graham flour

Pour scalded milk over honey, shortening and salt, in large mixing bowl. Cool to lukewarm. Then add softened yeast and well-beaten eggs. Add about half the flour, beat well. Add remaining flour and mix until the dough is smooth. Place batter in greased bowl, grease dough generously and cover. Store in refrigerator until needed, then let dough warm to room temperature, shape into rolls, and let rise until light. Bake in a moderately hot oven (400 degrees) for about 20 minutes.

- Six Layer Dinner That Cooks While You're Away.**  
(Serves 6)  
1 cup potatoes (sliced raw)  
1 cup uncooked rice  
1 cup onion (raw and chopped)  
2 cups round steak (ground)  
2 1/2 cups tomatoes (cooked)  
1 cup green pepper (chopped)  
3 strips bacon

Butter a baking casserole and place all above ingredients in order given, in layers, in the casserole. Season layers with salt and pepper while putting together. Cover casserole and bake in a slow oven (300 degrees) for about 2 hours. Remove cover during last 20 minutes of baking time, cover with bacon strips, and complete baking.

Be Spick-and-Span This Summer  
In Chic Wrinkle-Resist Linen

By CHERIE NICHOLAS

WANT to keep cool and look fresher and crispier than ever during the hot summer days? Then put some linen costume on your wardrobe list and on yourself. For a fresh viewpoint on warm weather apparel and an immaculate appearance, pure Irish linen is undoubtedly the perfect answer to the annual summer problem.

That's what they do in the tropics, they wear linen because the construction of the flax fiber makes it naturally cool. And that's what smart women and girls are doing this summer, wearing linen during the warm months, because it is cool and imparts the well-groomed look.

There are a number of details that distinguish the better linens this year. Their embroidery, for instance, it takes the lead in the newer linen trends, especially outlining scalloped hems and along closings worked with contrasting threads. Linens with a scattered all-over embroidered motif are also good looking. Sawtooth edgings make for effectiveness in styling the new linens, as well as scallops. Contrasting braided effects are also employed. Jacket dresses, princess frocks and shirtwaist types are all basic styles that are making linen a "must" in every summer wardrobe.

The smartest selection you can make is a suit of black or navy linen. Very chic is the new dark linen that is enhanced with white

eyeleted collar and cuff sets with a bit of white eyeleted petticoat revealed at the front open skirt. Often there is a combination in a linen jacket dress such as a black linen skirt with a maize linen jacket. Navy jacketed in dusky pink is effective or dark green linen with a red jacket.

Going to town you will be ever so smartly costumed if you wear a peacock blue wrinkle-resistant linen suit such as the model to the right in the group selects. The white blouse is safely attached to the skirt so it can't ride up. Red stitching accents the blouse and the color is repeated in the buttons that trim the wide shoulders of the jaunty bolero jacket. Other colors available in this voguish model are pickle green, brown or all black or white.

A lettuce leaf couldn't look any crisper than the perky narrow waisted topper-and-skirt costume of pure Irish linen shown to the left in the picture. The points in the sawtooth trimming emphasize simple clean-cut lines. Like the other linen costumes here illustrated this is one of those grand wrinkle-resistant linens that does not have to be pressed every day.

What a dashing little streamliner is the costume centered in the picture! It is one of those stunning figure-flattering princess silhouettes which is so popular this season. The inspiring thing about this line is, it is as becoming to the not-so-slender as it is to the sylphlike figure. The designer interprets the scallop theme with decided artistry. Thirty-two buttons march down the front on linen scalloped dresses available in a long list of colors. (Released by Western Newspaper Union.)

Lace Redingote

To say "lace redingote" does not really let you into the real secret of this handsome costume. The big news is that this elegant appearing redingote, suitable to wear to any pretentious daytime affair and just as timely for practical town wear, is actually made of a cotton washable lace. Matching crepe outlines the front opening all the way down. Modish is this dress of "medici" cotton lace for travel, sightseeing and about-town wear and it's delightfully cool because of the open mesh flower patterning. Add to this the great advantage that lace does not wrinkle, consequently it will look fresh and well-groomed all the day long.

Sheer Black for Both Hat and Gown

Black magic still holds sway in fashion's realm. It is not only that a big play is being made on black sheers for afternoon gowns, but the latest news is that with the stunning suits of black rayon mesh and the dresses of coal-black chiffon, marquisette and so on, milliners are turning out stunning hats made of all-over shirred or finely pleated black tulle, lace or chiffon. These black transparencies frame the face most flatteringly and they are of both off-face and sunshade brim type.

You can get these ensembles up as elegantly as you please with intriguing touches of sheer black chantilly lace and cunning color accents of pink or blue or bright red or you can hold to the all-black idea, for filmy black can be made to look very young in the hands of an artist designer.

Dresses That Tub Is Style Message

No matter how formal or high-brow the occasion the new cottons and other washables are living up to the event in high style this season. The smart thing to do whether you dine, dance, go to garden parties is to wear a frock that tubs. You will find that the designers are making up cottons and linens, seersuckers, piques, organdies, handkerchief linens, fine batistes sharkskin weaves and on through the vast list, with as much finesse and swank as one usually associates with rich silks and satins and such.

Cotton Mesh Fabrics

For her casual daytime clothes the schoolgirl is particularly fond of the cotton mesh fabrics cut in shirtwaist styles.
