Old California in the rugged days of the Mexican war and the colorful Spanish Dons is the scene of

CARMEN OF THE RANCHO

● An exciting, Western love story. Here on America's frontier of the middle 19th century is laid the drama of Carmen, spirited daughter of a rich Spanish ranch owner, and the great love she inspired in the heart of Henry Bowie, youthful Texas pioneer scout.

● How Bowie, coming to California as a youth of 19, saves Carmen from a band of savage Indians and how he later comes to love her is thrillingly told against a picturesque background of high adventure.
