PRONUNCIATION

A suburban housewife entered a jeweler's shop and leaned confidingly over the counter.

"Mr. Gold," she commenced gushingly, "I want your advice. I've just bought this little ring at the sale across the street, but I don't know how to pronounce the name. Is it turkoise or turkwoise?"

The jeweler handled the ring. "The correct pronunciation, madam," he said after a while, "is glass."

Encompassed Truth Truth lies within a little and certain compass, but error is immense.-Bolingbroke.

No child can be sure to escape

so, watch out for these warning signals:
Uneasy stomach. Fidgeting and squirming.
Itchy nose and other parts. Finicky appetite. Biting nails. And if you even suspect that your child has round worms, start using JAYNE'S VERMIFUGE at oncel

JAYNE'S VERMIFUGE is the best known worm-expellant in America. It has been used by millions for over a century.

JAYNE'S VERMIFUGE has the ability to drive out large round worms, yet it tastes good and acts gently. It does not contain santonin. If there are no worms it works merely as a mild laxative. Ask for JAYNE'S VER-MI-FUGE at any drug store.

And the news is ably covered in advertisements. Smart people who like to be up-to-the-minute in living and current events, follow advertisements as closely as headlines.
