HIS GOOD TURN

"It is the duty of everyone to make at least one person happy during the week," said a Sunday school teacher. "Have you done so, Freddy?"

"Yes," said Freddy, promptly. "That's right. What did you do?"

"I went to see my aunt and she was happy when I went home."

Showing a New Use For Candle Wicking

By RUTH WYETH SPEARS

When we last heard of Marty and Bill the curved bottom shelf of that old buffet had not been used. Well, Bill made it into a cornice board for the bathroom window, and painted it blue. Then Marty went into action on curtains to match.

Grandmother is an expert at doing old-fashioned candle wicking, so together they made the tufted curtains illustrated. They used

plain white muslin marked off diagonally in three-inch squares. They found the blue they wanted for the tufting in a soft string type of cotton yarn. The sketch tells you the rest. The dipping is what really turned the clipped stitches into tufts; then the curtains were stretched into shape to dry but were not ironed. All this about curtains has given Gram the most wonderful idea for something for a bride's kitchen shower that is coming off soon. It is pretty clever, we think. Watch for it, next week.

NOTE: Many other old-time stitches have modern uses. Sewing Book 2 contains directions for 42 of these stitches with suggestions for their use in your home. To get a copy send order to:

"No Child of Mine will ever get WORMS!"

That's what YOU think, Mother!

Nobody is immune to round worms. Children can pick up this nasty infection from uncooked vegetables or bad water; from other children or dogs.

Here are some of the danger signs that may mean living, crawling round worms are inside your child: Fidgeting and squirming. Uneasy stomach. Itching nose and seat. Restless sleep. Biting nails.

If you even suspect that your child has round worms, get JAYNE'S VERMIFUGE right away! JAYNE'S is the best known worm expellant in America. It is backed by modern scientific study, and has been used by millions, for over a century.

JAYNE'S VERMIFUGE has the ability to drive out large round worms, yet it tastes good and acts gently. It does not contain santonin. If there are no worms it works merely as a mild laxative. Ask for JAYNE'S VERMIFUGE at any drug store.
