### SIX-MAN MELEE TO OPEN ARMORY CARD MONDAY

A SIX-MAN battle royal will be the opening feature on Promoter Mack Lillard's weekly wrestling card at Medford armory Monday night, Sept. 16.

Mike Nazarian, the tough Armenian who has a six-match winning streak at Medford, will be gunning for his seventh but will be in hot company. Others on the program are Steve Nehoff, the Bulgarian bad man; Whitey Wahlberg, little Swede from Minnesota who proved such a sensation on the last card; George Wagner, Texas speed ball; Jack Hagen from Louisiana, who possesses one of the best headlocks in the business, and last but not least, Klamath Falls' popular barbecue king, Ernie Piluso.

Bad blood exists between Piluso and Nazarian since the Armenian has taken two straight wins over Piluso by employing savage methods. Wagner has it in for Nehoff because of the rough treatment he received at the hands of the Bulgarian last Monday.

Wahlberg's fire-ball maneuvering outsmarted Hagen last Monday and the Shreveport mat artist probably will send a few licks in the Swede's direction in an attempt to get even.

But, as is usual in battles royal, Nazarian and Nehoff will probably be the target of the four cleanies when the free-for-all starts off with the others teaming up when and if they can eliminate these two rough-house bullies.

The first two eliminated will return for the first match of six 10-minute rounds with the next pair out composing the second bout over the same distance. The last two left will clash in the evening's final struggle over one hour straight time or two out of three falls, the case in each bout.

The battle royal starts at 8:30 p. m.

### Bowerman Sees Team Of 'Middleweightmen'

"The squad as a whole is far from beefy although they aren't featherweights," said head coach Bill Bowerman as he opened training for his 1940 Medford Tiger football team Monday. He has been putting his charges through light blocking, tackling, passing and punting drills all week but will get down to earnest work next week in preparation for the 1940 opener against Weed's Cougars on the Medford turf Friday night, Sept. 20.

About 40 boys have reported to Bowerman, 10 of them being newcomers to grid wars. Bowerman stated that most of the new men showed promise of developing into good material.

The squad returned Saturday from a week's training at Lake o' the Woods.
