### A Book Shelf for The Study Corner

By RUTH WYETH SPEARS

SCHOOL again, and this sketch shows a quiet study corner for one girl. It is all very gay in tones of golden yellow and green and was made almost entirely of things already on hand—even down to the hooked rug.

The hanging book shelf doesn't really hang at all. It is made of a box screwed to the wall, and if you never thought of slip-covering a book shelf, here is proof of how smart one will look, especially if

it is matched with a chair covered in the same material. The legs of the chair are painted green and so is the old kitchen table which has now become a desk. The yellow tone is repeated in the blotter, and an old brass lamp and other desk things carry out the green and yellow color scheme. A shelf like this one would be attractive in almost any room, even the bathroom or the kitchen. This box was so rough that the oil cloth lining was necessary. A box of smooth wood could be painted inside.

NOTE: One hundred sixty of these homemaking articles by Mrs. Spears have been printed in five booklets, each 32 pages. The stocking cat and doll on the shelf are in Book 3; directions for the hook rug are in No. 5; also descriptions of the other booklets. Booklets are 10¢ postpaid and should be requested direct from Mrs. Spears. Send order to:

## THE AWFUL PRICE YOU PAY FOR BEING NERVOUS

**Read These Important Facts!**  
 Quivering nerves can make you old, haggard, cranky—can make your life a nightmare of jealousy, self pity and "the blues."  
 Often such nervousness is due to female functional disorders. So take famous Lydia E. Pinkham's Vegetable Compound to help calm unstrung nerves and lessen functional "irregularities." For over 50 years relieving Pinkham's Compound has helped tens of thousands of grandmothers, mothers and daughters "in time of need." Try it!

**Kind Nature**  
 Nature is always kind enough to give even her clouds a humorous lining.—James Russell Lowell.

## Watch Your Kidneys!

**Help Them Cleanse the Blood of Harmful Body Waste**  
 Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.  
 Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.  
 There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
