INFORMATION

Will be given to those who are preparing to do their re-building, renovating, new building or contemplating on installation of furnaces, or other heating equipment. If you wish plans or estimates on any work done on your home or new building, get in touch with the advertisers on this page, or call the Southern Oregon Miner building department, 8561, and we will gladly cooperate with you.

BUILD AND REPAIR NOW!

Now is the time to build. Own a home of your own—it's the difference between living and just merely existing. There's so much more comfort, so much more actual happiness in owning your own home. And now with prices so reasonable and payment terms so liberal, there's nothing to hinder you from realizing your ambition. So if you are planning to build or remodel your home, you will find on this page the helpful services of members of the building industry who will be glad to serve your needs.

W. J. Chipman

W. J. (Mooney) Chipman has been serving the painting needs of Ashland people for over 15 years and is fully equipped to handle any kind of painting, kalsomining, or tinting job. Mr. Chipman takes the necessary precaution to protect furniture and other room fixtures from splashing paint and always guarantees a clean, satisfactory job. Only the best grade of material is used and no job is too big or too small. Chipman specializes in interior decorating and may be reached by telephone at Ashland 7967. Your call will bring him to your place where he will be glad to give an estimate on either inside or outside work.

Wick Furniture Store

Wick's Furniture Store, located at 297 East Main street in Ashland, has been serving the people of southern Oregon since 1920. They handle a complete line of Pittsburgh paints, wallpaper, window glass and shades, Venetian blinds and floor coverings.

Wick's Furniture fits window glass and shades to your windows and can either sand your floor or rent you the sander.

Elhart's

Elhart's home appliance department carries electric refrigerators, washing machines including the Bendix Home Laundry, electric ranges, water heaters and oil heating equipment. The firms of Norge and Westinghouse supply their home appliance department.

Elhart's oil heaters are the famous Duo-Therm which are the equivalent to furnace installation in homes where less money must serve the heating purposes. These heaters feature the forced-air circulation which was originated by the Duo-Therm manufacturers and has proven most satisfactory in heating the entire home.

Lind Brothers

Lind Brothers will be very glad to assist you in helping to choose color and design for floors, draperies, window shades and venetian blinds. This store, recently redecorated and remodeled, is the only window shade shop in southern Oregon where your shades are made and fitted to your windows.

Lind Brothers' outstanding specialty is linoleum drain boards which are guaranteed in every respect and are a worthy improvement in any kitchen. They also are specialists in laying linoleum and rubber and asphalt tile floors.

Mr. Carruthers is in charge of the shades, blinds and draperies for this well known Medford store which always strives to keep abreast with modern materials and methods of installation.

This store, located at 408 East Main street in Medford, has one of the largest stocks in southern Oregon to choose from.

Continuous, Consistent Service

For more than 25 years this company has been supplying the building needs of this community.

Continuous service, complete and adequate to Ashland and vicinity.

Consistent service—though long established we have kept abreast of the times with the newest and best of building materials. Gathered here for your convenience you will find the finest quality of locally produced lumber and other materials, combined with products from other parts of our great country where the best in their line is made. Prices at our yard are always consistent with value.
