# 'THE DUDE' BACK Mentor Blake Kibitzes Win List for Football G-PASS BATTLE

COWBOY DUDE CHICK, former Wyoming cattle rancher and ex-junior heavyweight wrestling champion of the world, comes back to Medford armory next Monday night after an absence of several months during which time he has been campaigning in the southwest, Promoter Mack Lillard has lined up Mr. X, hooded mystery man, to provide opposition for

Last Monday Mr. X made his bow to Medford fans and wasn't accepted wholeheartedly due to his unorthodox maneuvers. However, if he tries too much rough stuff on Chick, he is liable to find himself hoisted upon the cowboy's shoulders for the famous Chick lariat spin.

George (Wildcat) Wilson, conqueror of Mike Nazarian on the last card, faces Balk Estes in the middle fracas. Estes showed signs of dirty work against Whitey Wahlberg a week ago but after what happened to Nazarian is fair warning for the Oklahoman not to turn villain with Wilson.

Otis Clingman, veteran Texas mat star, comes back to southern Oregon after a few weeks' absence and tackles Taro Ito in the opener which will go to the mat at 8:30 p. m.

## Lincoln School

The sixth grade children are bringing different kinds of rocks for the class museum. A committee is reading about the rocks and will tell the class about them. There are shelves in the room library on which they will put the rocks. They hope to find many queer rocks.

The science class in room 6 is studying mammals so they enjoyed modeling them in clay in their art period on Tuesday, Oct. 8.

Monday, Oct. 7, Eugene Ritsinger returned to the fifth grade in room 6. He had been attending the St. Marys school in Eugene. The pupils were glad to have him return.

The sixth grade has two new student teachers. Mrs. Bushnell is teaching spelling, writing and science. Mr. Carothers teaches arith-

The fourth grade of Lincoln school has two student teachers. names are Miss Betty Thomas from Ashland and Tommy Hensler of Phoenix. Miss Thomas will teach arithmetic and physical education, and Mr. Hensler will teach penmanship and social studies

Leighton Blake, football boss at himself by kidding the writer about last week's list of winners; of which four out of 10 were

"If I couldn't do better than that I wouldn't have the nerve to take my pay as a football prognosticasaid Blake. The big blonde ex-Willamette university star went to great lengths to boast himself as a picker of football games and after taking it for better than an hour, the writer shoved a pencil and national football schedule book at the Grizzly coach and told him to make his selections for the week. They follow:

Falls has a good team but said he figured his deception taught the Grizzlies would carry them to a win over Klamath Falls here to-

Medford's undefeated record will continue tonight when they meet Eureka on the Tiger turf.

Grants Pass travels to Marshfield tomorrow and will win, according to Blake. At Multnomah stadium in Port-

land, Washington is a cinch to take Oregon on Saturday.

Washington State is too strong for California in the Saturday game at Berkeley.

Blake didn't want to pick the tough one, but upon the scribe's insistence, he took Idaho. Oregon State will host Portland

tomorrow and is figured as a snap to trim the Pilots. Santa Clara's Broncos will romp

to a win over Stanford at Palo lull. Alto on the 12th, thinks Blake. Texas A&M will continue their bid for Rose Bowl recognition by taking the measure of UCLA at Los Angeles on Saturday.

Blake scanned the national schedule book from cover to cover looking for an easy game for his 10th choice and finally came upon Texas-Tech-Montana "Ah," said the coach, "at last an easy one. I'll take Texas Tech."

## FOOTBALL!

Games Last Week Grants Pass 6 at Medford 20. Lassen JC 18 at Klamath Falls day.

Games Tonight Klamath Falls at Ashland. Ashland Junior high at Grants

Eureka at Medford. Grants Pass at Marshfield.

A busy week is ahead for the Ashland high, got a lot of fun for Junior high football team when they travel to Grants Pass tonight to meet the Grants Pass Frosh under the lights at 7:45 and entertain the same team here next Wednesday night, Oct. 16.

Coach Al Simpson feels that his boys have a good chance of winning both games if they play hard and use the valuable experience gained against Medford here last week. Simpson adds that all the boys are in good condition and there are no injuries.

The line is weak at tackle and guard positions but the mentor has hopes of ironing out these difficulties shortly. At present McElfresh Blake admitted that Klamath and Griffith are the club's outstanding players but all the squad is fighting hard and Simpson says they will be an organization of which the town may be proud before the season is over.

The starting lineup for tonight's game will be McElfresh at left end; Gunter, left tackle; Delsman, left guard; Barker at center; Croft, right guard; Gettling, right tackle, and Kerr at right end. In the backfield will be Arant at quarterback, Griffith at left half, Ross at right half, and Wordsworth, fullback.

The lineup for the game here will be practically the same, said Simpson, barring injuries tonight. Little Jamie Moseley, last sea-Gonzaga-Idaho game at Moscow son regular, has been shifted down tomorrow because it will be a to the second string of tonight's tilt but has a good chance to regain his first team berth with some hard work in practice ses-

sions. He shows prospects of being one of the squad's best ball carriers if he snaps out of his present

HOW'S TODAY

You may be guilty of halitosis (bad breath) this very minute, and yet be unaware of it. That's the insidious thing about this offensive condition, so frequently due to food fermentation in the mouth.

You yourself may not recognize it but everyone you come in contact

with does. Listerine Antiseptic halts such fermentation, said by some authorities to be a major cause of mouth odors, and overcomes the odors themselves. So why

risk annoying and offending others? Why hurt yourself socially and in business? It is so easy to guard against offending by gargling with Listerine, the safe antiseptic. Your breath becomes sweeter and more agreeable. If you sweeter and more agreeable. If you value your job and your friends, use Listerine Antiseptic regularly. Lambert Pharmacal Company, St. Louis, Mo.

(BAD BREATH)

## Scouts of Area Ready Plans for Nationwide G-PASS BATTLE Rollcall for Members

Boy Scouts and their leaders throughout the entire Crater Lake Area council, consisting of Josephine, Jackson and Siskiyou counties, are busy organizing themselves and getting ready for a nationwide inventory and roll call of all scout units to take place in November, according to Cole Holmes of Medford, chairman of a special committee cooperating with the national organization on

Scouting, according to Dr. James E. West, chief scout executive, now is embarking on an intensive program in an effort "to make as substantial contribution as is humanly possible to further strengthen and invigorate our democracy". The program of action, according to Larry Schade, council president, and Cole Holmes, roll call chairman, involves the strengthening of every individual troop, cub pack and senior scouting unit in preparation for whatever service opportunities lie ahead. New groups will be organized, enabling more boys to become scouts and thus increasing the number of those trained for service. Every troop and pack has been asked to sign a "pledge of cooperation" which involves definite concrete steps for better preparing this organization.

Each troop pledges to do eight

different things just as quickly as possible. First they agree to participate in a nationwide "roll call" which will take place in this scout council between Nov. 3 and 17. Each unit will during that week be visited and inspected by a scout official. This will be a thorough check on all the activities of the troop. Second, each unit, through its sponsoring committee agrees to do its best to secure sufficient and adequate leadership of the troop. This will involve the recruiting of some new scoutmasters and a number of assistants. Third, they agree to organize an emergency service corps of specially trained older boys, if they have in their membership a sufficient number of scouts over 15 years of age. Fourth, they agree to increase their membership by Dec. 31, reaching the objective of a full troop if possible. Fifth, they agree to see to it that at least one leader in each troop has had the basic training in the "Elements of Scout Leadership" necessary for effective work. Sixth, they agree to stimulate their camping program during the fall and winter months so that every scout can gain from actual outdoor experience, those values necessary to a well rounded troop. Seventh, they agree to develop before the roll call a troop plan for mobilization which can be used in the event of any need in their communities. Special plans for practice mobilizations will be during the Eighth, they agree to re-emphasize the value of the scout uniform and see that every possible scout

and cub is in uniform. The scout leaders serving on the roll call committee and making the actual personal inspections all over the three counties of the council are: Cole Holmes, J. A. McDougall and J. K. Hoey of Medford; Paul Peterson of Gold Hill; K. M. C. Neill and Vernon Trimble of Grants Pass; Frank Van Dyke and Leighton Blake of Ashland; B. C. Elliott and L. V. Meek of Yreka; Fred Jones of Hornbrook V. L. Richardson of Dunsmuir, and Holly Miller of McCloud.
