Lincoln School

The Lincoln school council decided to have patrols to keep the children in order while going through the halls. The patrols are on duty in the morning and at noon. The members were chosen by the council and wear badges on their arms.

Oct. 15, room 6 played room 8 in a game of football. The score was 0 to 0. The teams had good players on both sides. Donald Biegel was the referee.

The sixth grade pupils are working to make their library a more interesting place. They have a corner case in which they have curious rocks. They are going to study how they were formed. In another corner they have things from different lands. The teacher put book jackets on the bulletin boards for the children to choose books from the college library. A few of the class will go to the city library to get books from there.

The children of rooms 5, 6, 7 and 8 went over to the college to see two very good pictures. One told about the working and formation of volcanoes and the other one was about the wonders of water.

Some of the pupils of the fourth grade are going to take clarette

workers which has been stationed in Talent the past 10 days left today for Donham, in the Wolf Creek area.

Mrs. Mary Birdsall has purchased several lots from the city and is constructing a residence near the railroad on Wagner avenue.

Mr. and Mrs. Ralph Welburn are the parents of a baby boy born Monday at the Community hospital in Ashland.

Mrs. Earl Withrow of Lincoln is visiting relatives and friends here this week.

lessons from Miss Lucie Landon, Monday, Oct. 21. The pupils are very anxious to learn to play this instrument.

Mary Jane Coleman entered the fourth grade of Lincoln school on Tuesday, Oct. 15. She has been a pupil in the Washington school since she entered the first grade. She likes the Washington school.

Lee Ashcraft and Wilbur Sherry spent last week-end in Portland where they attended the Washington-Oregon game.

Ben Gibson of Klamath Falls was a business visitor here Monday.
