Living Well
A wise man keeps on good terms with his wife, his conscience and his stomach.

Is your child a NAIL BITER?

It isn't always "nerves" that makes a child bite his nails. Often it's because of a reason few mothers suspect—WORMS!

If, along with nail biting, there are signs of uneasy stomach, finicky appetite, fidgeting, restless sleep, (talk head!) These may be the symptoms of round worms; a nasty infection that can cause real distress.

JAYNE'S VERMIFUGE is the best known remedy in America for expelling round worms. It has been used by millions of mothers, for over a century, and is backed by the most modern scientific study.

JAYNE'S VERMIFUGE has great ability to drive out large round worms, yet it tastes good and acts gently. JAYNE'S does not contain santonin. If there are no worms it works merely as a mild laxative. Ask for JAYNE'S VERMIFUGE at any drug store.

The fog was very thick, and the chief officer of the tramp steamer was peering over the side of the bridge. Suddenly he saw a man leaning over a rail only a few yards away.
"You confounded fool," he roared. "What on earth do you think you are doing? Don't you know my ship has the right of way?"
Out of the gloom came a sardonic voice.
"This ain't no ship, captain. This is a lighthouse."
