SPENDTHRIFT

Little Sandy arrived home from school completely out of breath. His father asked him what was the matter.

"I ran all the way home behind a streetcar and saved a nickel," Sandy replied proudly.

"Not bad, my boy—not bad!" said his father. "But why didn't you run home behind a taxi and save a quarter?"

First Course
Proprietor—Didn't the waiter give you a menu, sir?
Neglected Patron—Certainly; but I ate that an hour ago.

Must Have Been Ill
"Where have you been for the last four or five years?"
"At the 'varsity, taking medicine."
"And are you quite better now?"

Nothing Lasts Forever
"Does your wife tell you everything?"
"She probably will if we live long enough!"

Cunning Fool
A cunning woman is a knavish fool.

Is your child a NOSE PICKER?

It may be just a nasty habit, but sometimes nose picking is a sign of something nastier. It may mean that your child has round worms—especially if there are other symptoms, such as fidgeting, finicky appetite, restless sleep and itching in certain parts.

Many mothers don't realize how easy it is to "catch" this dreadful infection and how many children have it. If you even suspect that your child has round worms, get JAYNE'S VERMIFUGE right away! Drive out those ugly, crawling things before they can grow and cause serious distress.

JAYNE'S VERMIFUGE is the best known worm expellant in America. It is backed by modern scientific study and has been used by millions for over a century. JAYNE'S VERMIFUGE has the ability to drive out large round worms, yet it tastes good and acts gently. It does not contain Santonin. If there are no worms it works merely as a mild laxative. Ask for JAYNE'S VERMIFUGE at any drug store.
