Students

can tell you...

Any student can tell you the value of proper lighting for study, for reading, for comfort! Using their eyes all day long, they know how much good light can save in fatigue, eyestrain and irritation. Because you may not use your eyes for reading but a comparatively few hours a week, don't neglect good lighting in your home, for all the family. Efficient lamps cost but very little and add much to the pleasure of home life. See your electrical dealer today!
