HOUSEHOLD QUESTIONS

To keep rustic, outdoor furniture in good condition, wash it, dry it thoroughly, then give it a thin coat of shellac. Wrap it in papers before storing in attic or basement. This treatment not only will improve the look of the furniture but also will lengthen its wearing qualities.

Fruit cakes require long, slow cooking. To help prevent scorching, line the pans one inch from the top, with two thicknesses of heavy waxed paper or brown paper, well buttered. Do not remove the paper until time to serve the cake as it helps keep it moist when stored.

To have a flaky pie crust, add a teaspoon of vinegar to the cold water used in making it.

To clean the inside of milk bottles add a tablespoon of salt to one-third cup of vinegar, put into bottle and shake well.

Let potatoes that are to be French fried stand in cold water at least half an hour before frying. It makes them crisp.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

THE TRUTH SIMPLY TOLD

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions.

These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes.

If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed.

Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
