GRIZZLIES TRIM CAVEMEN 38-20

With the exception of a few brief moments in the opening period when the score was tied at 2-2 and 4-4, Ashland's Grizzlies led the Grants Pass Cavemen throughout the game and won handily 38 to 20 on the Grants Pass court Tuesday evening.

Alvenc Monroe, in the starting lineup replacing Chet Fowler, drew first blood of the game when he made good a gift toss and from then on out the winners couldn't be denied. The Grizzlies rang up baskets from every angle on the court in the first half but were somewhat erratic in the second half.

Ashland's hopes looked briefly gloomy in the third quarter when Frost fouled out and was replaced by Bob Dunn, who previously had seen service in the second stanza when he substituted for Jim Smith. Any doubts as to the weakness the change might cause was soon banished, however, as Dunn turned in a whale of a ball game both on offense and defense.

NEWS FROM

Lincoln School

By SCHOOL STUDENTS

The children of rooms 5, 6, 7 and 8 heard the inauguration of President Roosevelt and Vice President Wallace. It is nice to have a radio to hear important events.

Miss O'Brien had charge of the Lincoln school exhibit. On one of the bulletin boards were pictures of some of the churches of Ashland. There were also copies of the Ten Commandments, the Beatitudes and the Lord's Prayer. These are some of the books that were displayed: "The Story of Jesus," "The Story of David," and "The Story of the Children from the Bible."

Room 7 saw two pictures Monday on industries in our country. One told about the petroleum industry and the other one was about the iron industry.

The Lincoln school council had a meeting on Jan. 17. They appointed two pupils from each room to keep order on the playground.

The girls in the sixth grade started folk dancing on Jan. 14. Miss McNair is their teacher. The girls like the class.

In the art class in room 6, the pupils are making murals to tell the story of early American history. Some of the scenes will be of the Dutch colony, first Thanksgiving, plantations and William Penn. They are having fun drawing them.

Powerful Rubes Stop Varsity Five 48-41

Coach Jean Eberhart's Sons suffered their third straight defeat when Rubenstein's Oregonians downed them 48 to 41 in the SOCE gym Saturday night.

With the exception of a short time midway in the first half the Oregonians were never headed. John Dick and Matt Pavulunas were hitting with uncanny accuracy to keep the Rubes far in the lead.

The Sons played the winners on a fairly even basis in the first half with only three points separating the two teams as the final period began. For the first 13 minutes of the second half, the Sons seemed to go to pieces and allowed the Rubes to mark up their margin of victory. Late in the game the collegians began to click but the Rubes matched shot for shot.

Dick and Pavulunas were high scorers for the game with 14 and 13 points respectively. Bobby Hoefs led the teachers with 10 counters.

Ashland junior high dropped a 28 to 26 count to the Klamath high fresh in the preliminary. Stone and Kennebeck led the winners with 10 points each and Kanasto was high for the juniors with eight markers.

Indians Convert Free Throws To Down AHS

Ashland high's fighting Grizzly basketball machine dropped a heart-breaking 29-26 decision to the conference-leading Roseburg Indians on the junior high court here Friday night. The Grizzlies must now win all the rest of their district games to be assured of even a tie for the title.

Had Ashland converted their foul shots, the game would have been theirs but the Gastineau men just couldn't do it. They missed six out of eight attempts while the visitors rang up nine out of 13 tries.

After Hughes of Roseburg rang up the first basket, the game was a thriller with the score being tied six times. The first quarter was a knot six all but the Ashlanders were out in front 13 to 12 at the halfway mark. Again at the end of the third quarter Ashland was ahead 23-20. As the game went into the closing minutes, Ward put Roseburg in front 26-24. Then Bob Weaver sank a howitzer to put the score in a knot. A mad scramble for the ball ensued and Finley emerged with the oval and swished one from right under the bucket to put his club in the lead. A few seconds later Weaver fouled him and Finley ended the evening's scoring with a free toss.

Royal Denton, the Indians' six-foot-seven-inch center, was ejected from the game late in the fourth period on personal fouls.

In the prelim, Joe Jesse's All-Stars downed Blake's Barbarians 36 to 31 in a game that saw the Blakemen far improved over their pre-holiday performances.
