### Neighbor Seemed to Find Memento interesting Now!

There came a rap on the kitchen door, and Mrs. Brown opened it to admit her neighbor, in a state of great indignation.

"It's that mischievous boy of yours," cried the enraged woman, holding up a brick. "He's thrown this right through my window."

A delighted look came over Mrs. Brown's face.

"Really! How interesting!" she remarked. "I wonder if you will let me have the brick? We're keeping all the little mementoes of his youthful pranks—they'll be so interesting when Herbert grows up."

Magic in Home

There is magic in that little word "home"; it is a mystic circle that surrounds comforts and virtues never known beyond its hallowed limits.—Southey.
