Net Squads Prepare For Season Play

Nine prospective junior high tennis players are practicing nightly under the watchful eye of Coach Al Simpson in preparation for the coming net season. Coach Simpson has not as yet lined up any matches for his squad but expects to play Medford, Grants Pass and possibly Klamath Falls. Several of the class B high schools in the valley will be contacted and matches arranged if possible.

Simpson also is directing intramural volleyball and horseshoes tournaments at the school now and intramural baseball will get underway shortly.

Those competing for places on the tennis squad are Provost, Bartlett, Kerr, Landing, Cate, Lantis, Jandreau, DeMers and Roberson.

Exams Under Civil Service Announced

Civil service examinations for the positions described below were announced by the United States civil service commission March 24. Applications will be accepted at the commission's Washington office not later than the closing dates specified. Salaries are subject to a three and one-half percent retirement deduction.

Head soil chemist, \$6,500 a year, bureau of plant industry, department of agriculture. Minimum requirements include completion of a four-year college course and eight years of successful and progressive experience in soils research. Closing date Apr. 24, 1941.

Junior engineering draftsman, \$1,440 a year. Applicants may qualify in various branches of drafting. In addition to completing 14 units of high school study, applicants must have completed one year's experience or education in drafting. Closing date Apr. 22, 1941.

Welder (gas-electric) helper, welder (gas-electric). These examinations are for the purpose of filling existing and future vacancies in the Bonneville Power Administration, department of the interior, in the states of Oregon and Washington. Applications must be on file with the manager, 11th U. S. civil service district, post office building, Seattle, Wash., not later than April 7, 1941.

Full information as to the requirements for these examinations and application forms may be obtained from the secretary of the board of US civil service examiners at the post office in Ashland.

The United States Maritime commission has announced an examination for deck and engineer cadets in the merchant marine of the United States. These positions are not under civil service and the register of eligibles will be maintained by the maritime commission. Unmarried men between the ages of 18 and 25 who can produce evidence of good moral character and who can meet certain physical and educational requirements will be eligible to compete in the examination. Further information regarding the examination is contained in the formal announcement posted in first- and second-class post offices. Persons desiring copies of the announcement and application forms may obtain them from the Supervisor of Cadet Training, U. S. Maritime Commission, Washington, D. C. Applications must be filed with that office not later than May 10, 1941.

Word has been received that Harvey Walker, a former resident of Ashland, passed away in Salem March 17.

Trackmen Work Out For Medford Meet

Thirty-four boys from Ashland high have been working nightly under direction of Coach Leighton Blake on the SOCE athletic field in preparation for the track meet at Medford April 5 in which Grants Pass, Medford and Ashland will be entered. The squad has been working for four weeks and Blake stated that several of the boys show promise.

Among the boys who are expected to do things for AHS this season are Ken Caton in the sprints, Ross Willard in the half-mile, John Bergstrom in the mile and Charlie Jandreau in the high jump. The rest of the squad are untried but are expected to develop before the season is over.

3rd Place Grizzlies Outscore Opponents

The Ashland high Grizzly basketball team, having just completed their 1940-41 season, outscored their opponents by 181 points according to statistics released by Jerry Gastineau, Grizzly mentor.

Ashland, third place team in the district No. 4 conference, piled up 406 points in conference games to their opponents' 345 and totaled 387 non-conference points to 267 for their opponents. Total Ashland points were 793 to 612 for the opposition.
