Sin of Omission

A wrong-doer is often a man that has left something undone, not always he that has done something.—Marcus Aurelius.

THE TRUTH SIMPLY TOLD

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scaldy or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
