WHEN COMFORT IS YOUR GOAL

Go Electric!

ELECTRIC WATER HEATING IS A LOW-COST LUXURY

"INSTALL IT, THEN FORGET IT!" say more than a million users. "That's the comforting thing about electric water heating—in addition to the physical comfort of having plenty of piping hot water whenever you want it. There are dozens of times a day when you just can't do without hot water—and when all you have to do to get it is . . .

heating. And modern electric water heater models are so handsome that they are an addition to any modern home. Many of us install ours right in the kitchen or the games room. And the hot water service we enjoy is so dependable—so . . .

"CLEAN, SAFE AND LOW COST," say these more-than-a-million, more-than-satisfied users, "that we wouldn't go back to the old way for worlds! Honestly, it's high time that you, too, looked into this matter of modern electric water heating!"

JUST TURN ON THE TAP—instead of running up and down stairs—and waiting—why, it is mighty comforting and convenient. Temperatures are automatically controlled, too, with electric water
