**RHOADS-MORGAN**

Miss Betty Rhoads, daughter of Mr. and Mrs. J. A. Rhoads of Ashland and Warren Steele Morgan, son of Mr. and Mrs. William Morgan of Medford, were married at the First Church of Christ Aug. 8, with the Rev. Everett McGee reading the marriage service. Miss Gene Rhoads was maid of honor and the bridesmaids were Miss Ruth Morgan, Miss Nettie Moore, Miss Ada Davis and Miss Margaret Smith. The best man was Dale Flowers and ushers were Gene Perry, Clifford Yaryan and Eldridge Gray. Following the ceremony a reception was held with 50 relatives and friends present. Mr. and Mrs. Morgan will make their home in Ashland.

**State Fair Patrons To See Foods Tested**

State fair crowds may see right before their eyes the testing of hamburgers, butter, coffee cream, ice cream and milk served on the grounds during fair week, Sept. 1 to 7, inclusive.

This will happen because for the first time in history the state department of agriculture (which operates the fair) will have a working exhibit on the fairgrounds at Salem. The department has chosen for its display part of the laboratory equipment and some of the weights and measures apparatus from the division of foods and dairies.

Actual official tests of the foods mentioned will be made in the laboratory on the grounds by A. H. Dewey, assistant chief chemist, and Ruth Ward, laboratory bacteriologist.

The department's weights and measures heavy duty testing truck and equipment will also be on exhibit, with A. A. Reed in charge. Both displays will be in the grandstand exhibit quarters.

**GUILD MET FRIDAY**

The Martha Gillette guild of the Presbyterian church met Friday evening at the W. D. Jackson home for a garden party. Hostesses were Mrs. W. D. Jackson, Mrs. Mark True and Mrs. E. S. Corthell. Following the supper Mrs. Corthell was in charge of games. Miss Juanita Demmler, vice president, presided over the business meeting.

● Mr. and Mrs. Colver Anderson of the Benton mine are visiting Ashland relatives this week.
