HINDSIGHT ON SPORTS

By I TOLD YOU SO

Last week-end a young junior high school student consulted your scribe asking for information regarding his use of tobacco.

It seems this student has played ball for Coach Al Simpson in the past and showed great promise because of his toughness and general football ability. In his last year out for JHS ball this player had been ejected from the team because of his continued use of tobacco. He was given his choice of giving up the "weed" or the gridiron and he quit football. It might also be well to add that his use of tobacco has been without the consent or knowledge of his parents.

The other day Simpson asked him if he would give up smoking and come out for football next month. In consulting I Told You So, the student said he liked football but also enjoys his cigarette and could not make up his mind which he wanted to give up. He even ventured the opinion that he might decide to quit school.

School systems go to a great expense to build up an athletic program for the students and the Ashland system is no exception. It is a known and proved fact that tobacco and athletics, when indulged in by young men and boys, just do not mix. Medical reports have laid the facts of the harmful practice before the American public for years and it has been taught in our school systems but still this student thinks he is doing the "smart" thing to quit football and possibly even school, so that he can openly enjoy his tobacco.

In the summary of an article on the use of tobacco in a current magazine the writer says nothing favorable can be said about the use of tobacco regarding its effect on the heart. Another article goes to great lengths to describe the unhealthy effects on the lungs.

After talking to Hindsight, the above-mentioned student decided to quit smoking and spent the afternoon in a local movie. After the show he claimed he was a "nervous wreck" because he did not have a smoke during the entire show and then rushed out to buy a package of cigarettes.

To sum up the above paragraphs, this department maintains that not only athletes but everyone else would be much more healthy if they passed up the urge to smoke until they had at least completed their education.

Officers Plan For Bowling Competition

Officers of the major league of the Ashland bowling association met Friday night and discussed plans for the coming season which will begin Sept. 15.

Entrance fee for each team was set at \$6.50 from which \$1 will be sent to the American Bowling congress, 50 cents will remain with the local association and the remaining \$5 will go to make up a prize fund for the league competition. It was revealed that two more sponsors are needed to complete the eight-team major league.

Present plans also call for the formation of a commercial league and possibly a women's league if sufficient interest is shown.

DRIVER-DARNELL

Miss Myrta Driver, daughter of Mr. and Mrs. William Driver of Ashland and Norman Darnell of St. Helena, Calif. were married at the Seventh Day Adventist church in Ashland Sunday evening with Elder Peckham of Medford reading the marriage service. Following the ceremony a reception was held at the home of Mr. and Mrs. Roy Clary.

MOSELEY AT TALENT

It has been reported that J. E. Moseley took charge of the Richfield service station and store at North Talent junction last week. Moseley formerly operated a grocery store in Ashland.

Craters Break Even In Make-up Games

In a second half Oregon state league make-up game, Silverton blasted the Medford Craters 11 to 0 at Silverton Saturday. In a first half make-up on Sunday the Craters turned back Toledo, which hasn't won a game all season, 10 to 6 with the timely aid of Al Wray's two-run homer.

Bend won a pair of league games when they trounced Eugene 19 to 3 Saturday and Hills Creek 4 to 1 Sunday.

In the Southern Oregon league Grants Pass took a 9 to 2 win over Crescent City Sunday to assure themselves of a right to play the Medford Rogues for the league championship. The game will be played next Sunday on a field as yet undesignated at this writing.

Meanwhile, the Rogues took on Yreka in a king's-ex game and came out on the short end of a 16 to 2 tally.

In the Oregon softball tournament at Oregon City, Klamath Falls, winner over Medford for the district title, lost to Grimschaw Tires of Portland in the quarter-finals by a score of 14 to 0.
