The men in the service themselves have solved the problem of what they want in the way of gifts from the folks back home. First hand information from enlisted men on shipboard, in camps and barracks indicate that tobacco is first choice in the gift line-up. Actual sales figures from service stores show that the favorite cigarette with men in the Army, Navy, Marines and Coast Guard is Camel. Prince Albert Smoking Tobacco is another special favorite. Local dealers feature Camels by the carton and Prince Albert in the pound tins as doubly welcome gifts to the men in the service from the folks back home.—Adv.

Our Waterloo  
Every man meets his Waterloo at last.—Wendell Phillips.

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions.

These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes.

If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed.

Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up at night, swelling, pininess under the eyes—feel weak, nervous, all played out.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!
