WAFFLES AT NIGHT—GUESTS' DELIGHT!  
(See Recipes Below)

### OUT OF THE WAFFLE IRON

Waffles! Um'm! Crisp and browned to suit the taste—a queenly dish, whether you're a homemaker who delights in calling in your friends—a "home body" who caters only to the family—or a lone eater who simply likes nice foods.

It's fun to make 'em. . . It's fun to bake 'em. And waffle baking has made so many homemakers—young and old—waffle-party conscious, that we've included in this week's column games especially suitable for waffle parties.

So why not be a hostess who is different! Invite the "gang" in for a neighborhood "waffle feed." Your new deal in entertaining—whether your guests be clubwomen, daughter's pals, the high school basketball team, or hubby's cronies—will go down in social history. Mark our words!

Waffle recipes can be divided into two parts—the "ordinary" or "regular" waffle—good enough for anybody; and the waffles with frills and furbelows—gingerbread waffles, chocolate waffles, etc. So we give you some of each.

#### LYNN SAYS:

**Care of the Waffle Iron.** Most modern electric waffle irons should not be greased, but extra richness must be put into the waffle batter. This should be poured on the pre-heated iron from a pitcher or with a large spoon.

With continued use, the cooking surface is apt to become brown, and it is a mistake to remove this unless it becomes burned or too thick. During the occasional scorings, great care must be taken not to get water into the connection plug or heating element. A damp cloth or a soft brush should be used to free the iron from excess batter or crumbs.

### THIS WEEK'S MENU

#### Gingerbread Waffles.

(Makes 6 waffles)

- 1 1/2 cups pastry flour

- Mix and sift dry ingredients. Add milk, beaten eggs, fat and chocolate which has been melted over hot water. Preheat iron 8 minutes and bake waffle for 3 minutes.

#### Apple Waffles.

(Makes 6 waffles)

- 1 1/2 cups flour
  - 2 teaspoons baking powder
  - 1 egg
  - 2 tablespoons butter
  - 1/4 teaspoon salt
  - 1/2 cup milk
  - 1/2 cup chopped apples
  - 2 tablespoons lemon juice
  - Dash of nutmeg
- Chop apples, add lemon juice and nutmeg. Let stand for 15 minutes. Sift flour, measure, add dry ingredients and add apples and butter. Heat waffle iron 6 to 8 minutes, pour on batter and bake 2 to 3 minutes. Serve with butter and brown syrup.

Here's a good game for your next waffle party. It's called CONSEQUENCES and is played as the old familiar Consequences. Paper and pencil are needed. Each person draws the head of a beast, bird or man, folds the paper over and passes it to

the neighbor on his left. Each person then draws a body of beast, bird or man, according to his fancy, and again folds the paper over. The last item to be added is the legs and feet. The paper is to be folded again and passed to the neighbor on the left, then all are opened. The results may be astonishing.

## Drastic Millinery Changes For Autumn Fashion Parade

By CHERIE NICHOLAS

PREPARE to see drastic innovations in millinery fashions this season. Perhaps the most significant and startling is the new cover-up look that is achieved through curtain drapes, snood fantasies and various other intriguing devices.

There is an endless number of new silhouettes on the fall program, which carries the assurance of every one, being becomingly hatted this season. Basic hats are all on the list, so you can be utterly conservative in your choice. You will find your favorite beret on the list, all types of draped turbans, pillbox shapes galore, bonnets from Dutch to frontier-woman types, sailors wide of brim or not, mushrooms and cloches (very face-framing this year) also caters in versatile pleasing interpretations.

However these simply give start to the current millinery story. The big thrill is the revolutionary interpretations that daring designers are giving to the various type hats, through amazing back-curtain effects, cover-up devices and picturesque drapes. This all seems to convey a new message of "more hat than hair" in direct contrast to the long bobs showing as heretofore.

Below to the right, the group illustrated is a very new pompadour pillbox type made of sheer felt that achieves outstanding distinction and sophistication, via a coarse-mesh net snood draping, so voluminous it extends over the shoulders. Note also the decorative metal band ornament, from beneath which, the snood emanates in gathered fullness.

Another hat that is making conversation in the fashion world is the profile beret. The hat below to the left, is typical of this new trend.

The dramatic pose given to dashing berets, to achieve a smart new look is perfectly demonstrated in this model, which is a black skirt-felt shape worn to accent the new profile silhouette. That there are many ways of wearing the popular beret, adds to its popularity this season. Not only is the profile beret outstanding but emphasis is also given to huge berets worn back on the head in pompadour fashion.

A tremendous revival of feather trims is announced, which is another "reason why" hats take on a different look these days. Not only does fashion place "a feather in your cap" but entire hats are made of feathers. And a perfect riot of feathers enliven the new fall felts, while dressy headgear will flaunt feathers in gayest mood. The little hat above, to the left, is typical of little feminine millinery confections, that call for cunning veils and the use of hatpins.

One characteristic feature of town and country wide-brim felts, is that crowns go towering to any height, as you see in the model pictured in the upper right corner. In this instance, a striking hat-and-bag ensemble has been achieved with two-toned felt, bright blue and red glove stitching. Blue and red combinations is a "last word" message broadcasting from fashion centers, not only for hats but for the entire costume.

Sportsfelts are very wide of brim this season and have a nonchalant swagger picturesqueness about them that is most intriguing.

### People of Thailand

The inhabitants of Thailand (Siam) are called "Thai," which is a plural term meaning "The Free People." Because the natives have always been known as Thai, and have preferred to call their country "Maung Thai," rather than "Sayam" or "Siam," the terms Siam and Siamese were officially changed to Thailand and Thai, respectively, on June 24, 1939, by a notification of the president of the council of ministers.

### Two Classes

There are two distinct classes of people in the world; those that feel that they themselves are in a body; and those that feel that they themselves are a body, with something working it. I feel like the contents of a bottle, and am curious to know what will happen when the bottle is uncorked.—William De Morgan.

### Luxury Blouse

Evening and dressy afternoon blouses stress the luxury note more importantly than it has been for many past seasons. This distinguished blouse has an elaborate embroidery treatment expressed in multi-colored sequins, beads and metal threads. The use of rich and glittering embroideries for the new evening jackets follow the same trend. The new deep armhole seams so modish this fall, present endless opportunity to introduce ornate embroidery schemes.

### Sweater V Necklines

Sweaters have become a campus and schoolgirl hobby. The fashion that stands pre-eminently forth as a favorite is the long torso pullover sweater with a deep V-neckline. The "big idea" is to wear this sweater in lightweight soft cashmere yarns over a smartly styled tweed skirt.

### Two-Piece Effect For Fall-Winter

The two-piece effect whether simulated or actually so, is outstanding this season. Sometimes the skirt is seamed to a long-torso middy-like top so that it has the appearance of a two-piece, though it really is a one-piece. This type is particularly slenderizing to the figure inclined to curves.

Then the new tunic costumes interpret the two-piece vogue, being actually two-piece versions and not camouflaged. Tunics are running a big vogue, some straight-lined, others with a flare.

Peplums sewed on at the waistline make another interesting approach to the modish two-piece fashions. Youth seeks the peplum effects for they are especially adapted to slender hips but the more mature figure glories in the straight tunics and long torso bodice tops.

### Fall Fashion Program

#### Includes Lace Neckwear

Emphasis on lace neckwear accessories continues as important fashion news. The fact that classic simplicity is the rule for daytime dresses of sheer wools and smart velveteens, has caused a revival or rather sustained interest in lovely feminine lingerie neckwear touches.

New in the present showings are deep lace-trimmed collars with half sleeves of matching lingerie to be sewed into bracelet-length sleeves.

#### Sequins and Appliques Trim Fine-Mesh Veils

Veils will be very ornate this season, with glittering accents of sequins or appliques of tiny felt flowers. Some are dotted with tiny suede stars.

Very fine mesh veils prevail, some of which are bordered with spangles, others having rows of heavy chenille to finish them off.
