## HINDSIGHT ON SPORTS

By I TOLD YOU SO

Upstate newspaper readers probably think that the Ashland Grizzlies have nothing but a one-man football team down here what with all the mention accorded Charlie Jandreau. Not that we don't think Charlie deserves every inch of publicity he gets but it is our opinion that Bud Provost also should be accorded a line or so. He is playing in his first year in the backfield and turned in a superb job against Dunsuir and was the cog that played an important part in the 33-13 defeat of the Tigers. The way that he consistently spun out of the arms of would-be tacklers and added an extra yard or two by doing so certainly deserves some credit. Let's hope those who write the out-of-town publicity think along these lines also.

More and more the Medford-Dalles game to be played at The Dalles Nov. 29 looks like the tilt for the mythical state championship. The Dalles dumped Hood River from the unbeaten ranks Friday night 19-14 and take on Milton-Freewater next Friday night. Mac-Hi also is unbeaten in state competition but the Indians are heavily favored to win. The Macs kept their rating last week by stopping La Grande 22-0 while Myrtle Point and Vernonia kept their unbeaten records intact by getting over North Bend and Scappoose respectively.

The dope bucket took a genuine kicking around last week-end with five of this column's 10 guesses falling by the wayside. The season record now sits at 38 won and 19 lost for an average of 667. This week's sure-fire winners are Washington over Montana, Oregon over Washington State, Oregon State over Idaho, Stanford over Santa Clara, UCLA over California, Duke over Georgia Tech, Minnesota over Northwestern, Klamath Falls over Grants Pass, Medford over Eureka and Ashland over Yreka.

### Grizzlies Trounce Dunsuir Tigers

Scoring three touchdowns in the first quarter, the Ashland high Grizzlies jumped back into the win couple with a 33 to 13 routing of the Dunsuir Tigers on Walter Phillips field Friday night. LaMar Ormond, Chet Fowler and Martin Herrin were instrumental in the Ashland line and Charlie Jandreau and Bud Provost carried the brunt of the Grizzly attack in the backfield. Bob Dunn did a fine job in holding down Al Newbry's place at end. Newbry is lost to the team, probably for the season, with a knee injury.

It took the Tigers two quarters to get onto things but they began to roll and tallied once in the third quarter and again in the fourth. Their best ground-gainer was Willie Cleaver, who tore thru the Ashland line and around the ends for some nice gains. He was aided, of course, by fine blocking by his teammates.

### STAMP LIST GETS NEW FOODS

Foods available during November for purchase with blue stamps by families taking part in the Food Stamp Plan in Oregon were announced today by M. Louis Beangle, local stamp plan representative. These foods are obtainable in local stores throughout the month of November.

Fresh pork and butter have been added to the list of foods obtainable by stamp program participants during November. Except for the addition of these two staple food items, which appear on the stamp program food list for the first time since July, the November list is the same as that for October.

### Simpson's Juniors To Play Pelican Frosh

Two full teams of the junior high football team will leave at 4:30 this afternoon for Klamath Falls where they will meet the Klamath Frosh tonight. A previous game between these two teams ended 6 to 0 in Ashland's favor.

The local team, now in the lead for the southern Oregon junior high conference title, will be trying tonight to keep their undefeated record intact.

The starters named for tonight's clash by Coach Al Simpson are Kerr and M. Williams at ends, Speece and G. Williams at tackles, Calhoun and Arant at guards, Anderson in the center position, Wilson at fullback, Garrett quarterback, Moseley at left half, and Marquess at right half.

### Westfall Wins Wings At Moffett Field

William B. Westfall, 22, son of Mrs. Emma Westfall of Ashland, wins his wings as a member of the United States army air corps at Moffett Field today as he completes his basic flying there with a class of approximately 170 aviation cadets.

Westfall is to report next week to the air corps advanced flying school at Mather Field, Calif., where he will take the final 10 weeks of training before receiving his commission as a second lieutenant. Upon receiving his wings and commission, he will be assigned to an air corps tactical unit or to an army flying school as an instructor.
