WHAT'S COOKIN'

"I saw Busby going into the chiropodist's this morning."
"There must be something serious on foot."

Cigarettes and smoking tobacco have moved rapidly to the forefront as ideal Christmas gifts with Camels as America's favorite cigarette and Prince Albert Smoking Tobacco, the world's largest-selling smoking tobacco, well to the fore. The beauty of these gifts for smokers lies in the fact that their cost is modest and their welcome always assured. Local dealers have been featuring Camels in the carton of ten packs of "20's" and a special gift of four "flat fifties." Prince Albert is available in the humidor specially wrapped for Christmas giving.—Adv.
