NEWS FROM

Lincoln School By SCHOOL PUPILS

The children of Room 3 wrote these Christmas poems:
Hurrah for Santa, jolly and fat,
Here he comes with a bright red hat.
Down the chimney he comes ker-plop.
Then up he jumps with a great big hop.

It was the night before Christmas,
There was not a sound in the house.
When down the chimney
Came Santa in his best red blouse,
And brought me a toy that looked like a mouse.

Christmas time brings lots of fun,
If Santa has his work all done;
Then he brings lots of toys
For all the good little girls and boys.

Mr. Otto Wilda and Mr. Robert Sage helped some of the fourth grade boys and girls make a Nativity scene for the lower hall of Lincoln school. The figures of the Christ Child, Mary, Joseph, the wise men, angel, shepherds and animals were made of clay and painted in bright colors. The city of Bethlehem can be seen in the distance.

Richard Hall and Neomah Baugh are absent from the third grade.

The children of the third grade made booklets, plaques and cards for Christmas gifts for their mothers.

GRANGE AIDS DEFENSE

At a meeting of Bellview grange Tuesday evening several moves were made toward closer cooperation with local civilian defense efforts. The grange hall is to be donated one day a week for first aid classes which will be open to grangers, club women and P-TA members and it also was voted to prepare means of blacking out the hall in order that it might be available for emergency use.

The modern battleship of the United States navy compares in size and completeness to the Waldorf-Astoria hotel. Set it upright and its bow would top the tallest skyscraper in Chicago, Philadelphia, Pittsburgh, Cincinnati, Detroit or Baltimore.
