Let Your Answer to Bombs Be BONDS!

We are fighting enemies who will stop at nothing. With our homes, our very lives at stake, shall we stop short of giving our dimes and dollars for Defense? Buy Defense Bonds and Stamps every day, every week. Buy as if your very life depended upon it. It does!

We'd like to say heaps more than just "thank you," and heaps more than just "Happy New Year," because your kindness has meant so much to us in 1941.

We'll say it during 1942, not with mere words, but with more value and more service written into every transaction.

So at this time we simply say thank you, and Happy New Year!
