**May Warn of Disordered Kidney Action**  
 Modern life with its hurry and worry, irregular habits, improper eating and drinking - its risk of exposure and infection - throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

 Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
