Trail Riders to Be Hosts to Ge Gerhardt Sunda

Horseback Ride, C Breakfast, Target Shooting on Menu

Ashland's famous horsemen's o ganization, the Trail Riders, will have the honor of entertaining General Charles H. Gerhardt and staff Sunday morning. Arrangements have been completed for the general's party to bring horses to Jackson Hot Springs about 7 a. m. There they will be met by the Trail Riders and the entire party will ride towards Lithia park over a trail route.

This route will take the party up Grant street over the hill back of Mayor Thornton S. Wiley's orchard, out onto Scenic Drive to Strawberry Lane and from there to Granite street. Following up Granite street the course follows through the canyon gate and onto the high drive which will present a close-up view of the city to the visitors. The party will then return to the Ashland Creek camp above the Lithia park camp ground where breakfast will be police, nas or

Chief Cooks Roy Parr and Clarence Lane have arranged a menu consisting of sausage, eggs, hot rolls and coffee to tempt the appetites of the 25 officers and male members of the Trail Riders who will participate in the ride. Wives of the Trail Riders have volunteered to help with the serving.

Aside from the ride, breakfast and target shooting, no special program has been arranged, according to Police Chief C. P. Talent who is authority for the statement that General Gerhardt will do his best to show up the rest of the participants in the shooting event.

Chief Talent spent part of Wednesday afternoon riding out a trail with a view to giving the farm, field and forest. visitors an opportunity to see Ashland and vicinity to the best advantage. Each range of hills crossed will give them a different perspective, the chief states

Horsemanship claims the attention of a goodly number of the officers at Camp White and Toubtless they will find much pleasure in joining the riding clubs of the valley in jaunts over the mountain trails.

VIOLATED CURFEW LAW

Leo Schoeneger, Plaza barber, was picked up by the Ashland podepartment Monday evening and taken to Portland where he was turned over to federal authorities. Schoeneger, whose naturalization papers have not been completed, was found violating the curfew law affecting alien citizens. A report was made to federal authorities with the result that his freedom was cancelled.

inated the group of soldiers entertained in Ashland Sunday afternoon and evening. Particularly was this true of coast states, with California leading Oregon Edr and Washington. 'The previous Brow parties had found most of the Aike guests from the south and east, ant, with an occasional westerner in- Leila cluded, and that order was reversed Sunday. This did not exclude some of the boys who attended Margare previous parties, for among the guests were several faces which are becoming familiar to Ashland folks who look in on the parties.
