Southern Pacific Record Year in 1942

In 1942, the first year of the war, Southern Pacific freight volume per cent greater than the previous year, reaching a new all-time high, being 84 per cent greater than the former peak year of 1929. Passenger service also reached a new all-time high, being 84 per cent greater than the former peak year of 1929.

These and other interesting facts are contained in a booklet, "Facts about the Southern Pacific Company" which is just off the press.

During 1942 the company operated 6150 special trains for all branches of the armed forces, in addition to a substantial number of military cars handled in regular trains. The company's dining cars served meals at the rate of more than 12,000,000 a year.

More than 9000 former employees were in military service at the end of 1942. The company labored under a manpower shortage during the entire year and on February 1, 1943 was short approximately 10,000 men.

New locomotives and other rolling stock were added during 1942 and improvements were made to the physical plant to bring total expenditures of this nature to more than \$100,000,000 in the past three years.

Archery Class at USO

Dr. C. C. Dunham started archery practice at the Ashland USO Sunday afternoon. Approximately 15 service men turned out for instruction. The sport apparently will prove as popular this year as last year. Archery tournaments are in the cards for those interested in this popular sport.

Miss Frances E. Dodds, director of the USO, reported a large weekend attendance, with activities in the park and in the clubhouse.

Saturday night's dance was varied by fortune telling by Mrs. Edw. Duffey a member of the Service Men's Wives Club, and living in Ashland. Mrs. Duffey took the place of Miss Lillian Nicholas, who has been entertaining on Saturday evening during the past several months.

Wednesday, April 21 the visiting military will be entertained at a "hard-time" party, so-called because of difficulty of preparing and decorating, due to the clubhouse being in the hands of carpenters. Girls will wear cotton and gingham. A convoy will come from the 83rd General Hospital at Camp White, and the 82nd General Hospital band is expected. The junior hostess committee planning the dance consists of Velma Simpson, Virginia Smith, Jo Peachy, and Kay Jandreau.
