**Care of Electric Cords**  
Don't disconnect lamps or appliances by pulling on the cord, warns Miss Myrtle Fahsbender, director of home lighting for Westinghouse. It loosens the wires in the plug. Instead, grasp plug itself and remove with a firm quick motion from wall outlet or appliance.

**Housecleaning Aids**  
In anticipation of spring cleaning, Westinghouse home economists have rounded up some cleaning hints worth remembering the year around: Rubbing wax on window sills, Venetian blinds and work surfaces protects the finish and simplifies cleaning. . . . An ordinary paint brush saves time when dusting furniture, especially elaborate furniture. . . . Dip a cloth in vinegar and water to wipe off furniture—makes polishing easier and finger marks don't show. . . . Grease spots on walls vanish with a dusting of French chalk—let chalk remain for several hours and brush off with a soft clean cloth or small brush.

### NAVAL EXAMS TO BE GIVEN

Announcing a single vacancy for the Fourth District of Oregon at the U. S. Naval Academy at Annapolis, Md., Congressman Harry Ellsworth today stated that the preliminary qualifying examinations for the appointment of a principal and three alternates would be held on July 31, 1943. The U. S. Civil Service Commission will conduct the examinations at the following city Post Office buildings: Eugene, Marshfield, Medford and Roseburg.

Candidates for the Naval Academy must not have been married and must not be less than 17 years of age nor more than 21 on April 1, 1944.  
Provision will be made for young men in the armed services to compete if they desire. Appointees who are in the service will be sent to Naval Training School to study for the final qualifying mental examination in April, 1944.

Candidates desiring to compete should notify Congressman Harry Ellsworth, House Office Building, Washington, D. C., at once since the Civil Service Commission must have the names of candidates by July 15. They should designate their choice of places of examination, give present or expected future addresses, and men in the service or who will be in the service by July 31 should give the name of the commanding officer and address of the camp or training station to which they are or may be attached. Only bonafide legal residents of the Fourth District may compete.

### OUR SERVICE MEN

Sgt. Duane Monroe, a graduate of SOCE, writes that he is somewhere in China. He states he is enjoying the service, though looking forward to "the great day." Observing Indian and Chinese art and customs passes the time for this wide-awake young man with great interest interest, his letters indicate.

Every soldier is a 100 per center. If more than one member of your family is earning war wages you can have a War Bond 100 per center at home. Lots of workers are putting every dollar they are earning into war bonds to help win the war and assure themselves a prosperous peace.
