**YOUTH FELLOWSHIP MEETS
AT METHODIST PARSONAGE**
The Methodist Youth Fellow-
ship officers, other members and
visitors met at the Parsonage on
Laurel Street on Monday evening.
Miss Ida Willard, the newly elect-
ed president, presided during the
business session. Plans were made
for the worship and social pro-
grams during the coming Sunday
evenings.
Mr. and Mrs. John Billings were

chosen as advisors for this group
of young people for the present
conference year. A social chat
followed the business session, dur-
ing which time Mrs. Bruce served
refreshments. John Billings will
lead the worship service this com-
ing Sunday evening at 6:15.

Miss Alice Jean Grossman, 263
Palm Ave., will be among 15 wo-
men Marines who will leave Port-
land for training camp at Camp
Lejeune, New River, North Caro-
lina Oct. 15.

They will report at camp Oct.
20. They enlisted in the Leather-
necks last summer.

The Miner family is in receipt
from Lee Wise of a pail of real
country sorghum - grown and pro-
cessed in the Rogue Valley by Mr.
John H. Darby of Medford. This
sorghum is the best 'lasses we
have tasted since leaving Missouri
and is just another sample of
what southern Oregon can pro-
duce.

**Tests for Army and
Navy Candidates**

The second Qualifying Test for
the Army Specialized Training
Program and the Navy College
Program V-12 which will be given
throughout the country on Tues-
day, November 9, will be admini-
stered at the Ashland Senior High
School, Mr. Robinson announced. A
general information pamphlet
containing an admission-identifi-
cation form may be obtained at
the school. This form properly
filled out will admit to the test
students between the ages of 17
and 21 inclusive who are recent
high school graduates or who will
be graduated by March 1, 1944.
Intent to take the test should be
made known immediately to Mr.
Robinson in order that the neces-
sary test supplies may be ordered.

The same examination will be
taken by both Army and Navy
candidates. The examination is de-
signed to test the aptitude and
knowledge required for the pro-
gram of college training and all
qualified students are urged to
take the test. At the time of the
test each candidate will be given
a choice of service preference, but
taking the test does not obligate
the candidate to enlist in the ser-
vice.

The Army Specialized Training
Program and the Navy College
Program enable students to con-
tinue academic training at gov-
ernment expense following induc-
tion into the armed services. Suc-
cessful completion of the prescrib-
ed course may, following further
officer training, lead to a commis-
sion in the Army or Navy.

Those selected for the Army
will, after further screening and
basic military training, be sent
to college. Students chosen for the
Navy Program after selection by
the Office of Naval Officer Pro-
curement, will be detailed directly
to college. Students who attend
college under either of the pro-
grams will be under military dis-
cipline on active duty in uniform
with pay. All expenses, including
tuition, food, housing, books, and
uniforms will be paid by the Ar-
my or the Navy.

**DAIRY WATER HEATER
FOILS BARN BLAZE**

HEBRON, ILL.—Jasper Petersen,
tenant on the F. A. Hill Lone Pine
Farm some five miles out of here
is shown beside the electric water
heater that saved his barn contain-
ing a mow full of chopped hay and
possibly 43 Holsteins from burning
last winter.

With the weather below zero, the
hay caught fire and began burning
slowly enabling the Hebron Volun-
teer Fire Department truck to
reach the farm before severe dam-
age had been done. A small amount
of water left in the fire truck tank
froze during the trip and prevented
opening of the valve between the
tank and the pump. Holding the
fire under control by keeping it
covered with chopped hay the fire-
men struggled with frozen valve
until someone noticed a Dairy-Maid
hot water heater in the milkhouse.
Only a 10 gallon heater but with an
automatically maintained tempera-
ture, it was the work of only a
minute to draw out enough hot
water to thaw out the valve so that
the fire could quickly be put out.

YOU CAN SEE when traffic
jams a highway or people stand
in the aisles of a train.
But you can't tell when Long
Distance lines are crowded by
looking at a telephone.
When they are, the operator
will say—"Please limit your
call to 5 minutes. Others are
waiting."
That's a mighty good rule
for these days. Helps you.
Helps us. Helps the war.*
