**NEIL ARANT TAKEN
INTO MARINE CORPS**

Neil Morton Arant, prominent Ashland High School student and son of Mrs. Ada Arant, 111 Nursery street, has been inducted into the Marine Corps and will be sent to San Diego, Calif., for training after a 14-day furlough.

Private Arant is in his senior year at Ashland High, and made his letters in football, baseball and basketball. He also is a member of the orchestra and band.

While in junior high, he was captain of the football team and president of the student body. He has been employed here at the Heard dairy.

**Rushing Work on Harry
Chipman's News Stand**

Work on Harry Chipman's enlarged News Stand is nearing completion. The partition between his former place of business and the room once occupied by the Steven's Market has been removed, converting the two rooms into one.

Harry has the entire floor surface covered with new inlaid linoleum and decorators are at work rushing completion for his formal opening on or about Nov. 6.

Mr. and Mrs. Culver Anderson and infant son of Portland are visiting with relatives here.

**TAXES DUE
SO WHAT?**

It is hard to make ends meet today—and often taxes spell the difference between comfort and just living. All the little luxuries that make life so pleasant have had to go by the board.

But when I hear complaints about taxes, I think of what I heard a Norwegian seaman say a couple of years ago:

"We, who would not, or could not create a security against fear and famine among the underprivileged, have seen rich and poor alike reduced to a destitution far worse than that of our most wretched slums of yesterday.

"We, who squabbled in our own household over ancient prejudices of race or religion and over petty differences of politics or trade, have learned that sectional boundaries cannot isolate a people to the furious force of Nazi assault and persecution.

"We, who saw the class struggle blind capitalist and labor to the fury of the gathering storm know now that both lost in their folly more than either had ever hoped to gain."

This we too have learned in the past two years. Are we going to take that lesson to heart? Are we going to realize that paying taxes for this war is our one hope of not paying tribute? That what we give up we would lose forever if men did not work and fight and die for the protection of our rights as free men?

We, who shut our eyes to the sore spots of the world found those plague centers too close for comfort to our homes. We, who said it was none of our business have learned that cruelty, persecution and hatred are like a forest fire, spreading past its own boundaries and seeking what it may devour.

We, who have generalized in our conversation, setting group against group, do not realize that this was how the whole thing started. The despots of today were those who felt themselves the "have nots" of yesterday. A frank discussion of common objectives, a voluntary cooperation now is far better than arbitrary regimentation later in.

I like to think what one man who was an American by choice told me. He said, "I am a poor man today - but I am a very rich man. I paid my taxes but oh, so thankfully. Unless you have lived where I have lived, you do not know how rich a thing it is to be an American and able to help America with what she has given you."

Taxes - so what?

**Change in Tenancy
Must Be Reported**

Daniel D. Gage, district rent executive, calls attention to the rent control requirement to report changes of tenancy. All landlords of houses, apartments, of rooms rented in private homes or rooming houses on a month-to-month basis are required to notify the rent office of changes in tenancy. This is accomplished by filling out "Change of Tenancy" forms which may be secured by calling at the Medford War Price and Rationing Board, Rent Section, in the City Hall, or by requesting that the form be sent by mail.

Gage warned that the "Change of Tenancy" form is not an application for rent change. Applications for rent adjustment under the eight allowable grounds are made on the "Landlord's Petition for Adjustment of Rent" form. No higher rent may be charged until an order based upon an approved petition is issued.

SHORT CUT

Soak kidney beans in hot water and you shorten the cooking time. So much the better if you have soft rain water - Westinghouse home economists explain that hard water tends to make the beans tough so that they never seem done.
