

Maybe That Too
 "No, Elmer, I can't marry you. The man whom I'm going to marry must be upright and square."
 "You want a piano, not a husband."

Missed Him
 "How is it you're late again at your work this morning?"
 "Well, you see, sir, there are eight of us in the house, and the alarm clock was only set for seven."

Going Strong
 "And how are you getting on at school, Jimmy?"
 "Oh, fine! I'm learning words of four cylinders now."

"See if you can laugh that off," said the farmer's wife as she wired a button on the vest of her fat husband.

Ah, Me
 "Stop pushing me up the stairs, mister."
 "I'm not pushing—I'm sighing."

That Nagging Backache
 May Warn of Disordered Kidney Action
 Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.
 You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
 Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
