### Wins in Green Guard Activity Contest

Billy Dunstan, Jacksonville Green Guard, was awarded 5th place prize upon submitting his season's fire prevention activity record and a theme on his experiences in the Oregon woods.

This is the second citation for Billy within the year, he being previously cited for meritorious services in the suppression of a fire.

Billy's interest is typical of 20,000 Green Guards in Oregon, who are aiding materially in the public program to reduce the losses from man made fires.

Fifth place award consists of a choice between \$5 in war saving stamps or a Green Guard Sweater.

## PREVENT PROHIBITION

DEFEAT THIS "BURKE BILL" WITH ITS DANGEROUS "JOKER"!

Don't take anyone's word for it! Read the bill itself! See how the insertion of one word—the word "GIVE" in both the title and body of this bill affects your very freedom. Will you be able to serve your guests either at your social club, or in your home under this bill? NO! Do you want this dangerous type of prohibition? NO!

THEY DID IT ONCE IN 1918...THEY'RE TRYING TO DO IT AGAIN IN 1944
