**Democrats Attend Medford Meeting**

A meeting of precinct committeemen of the democratic party met last Wednesday, October 18 in the basement of the Medford Hotel with a goodly county-wide representation present. The meeting was under the chairmanship of Bert Miller, Ashland, county chairman of the committee. The meeting was called to discuss the financial aspects of the next three weeks campaign and to hear reports from the various precincts of the county. Plans were discussed for getting out the voters, etc.

One more meeting was desired by those present and to this end, Chairman Miller appointed a committee to see what arrangements could be made. It was thought that a state central committee member or candidate could be secured for the meeting and the date was left open so that such arrangements could be made.

Plans were made for the opening of a downtown democratic headquarters in Medford and another committee appointed to see that the headquarters fully met the responsibility of getting out information of the party's candidates and platforms.

Among the speakers of the evening were Sheriff Sid Brown, Attorney George Coddings, Moore Hamilton of the Medford News, Mrs. Georgiana Peters, chairman of the Ladies Democratic Club and D. D. Davis, editor of the KMED fact stories, and others.

Word has been received of the death of Pvt. Franklin M. Roach which took place on September 21. His death was due to wounds received in action in France. He is the grandson of Mrs. C. E. Silver of Ashland, a brother of Mrs. Phoebe Miller and D. L. Silver. He is the stepson of Bert Harris of Ashland.

Pvt. Roach was born and grew up in Ashland and attended school here. He enlisted in Winnemucca, Nevada in July of 1944. He had his basic at Camp Haan, and later was stationed at Camp

Campbell, Ky. from which he left for overseas. He was in service but a few months.

Marine Corporal Jules A. Powers, 24-year-old former Ashland resident, has returned to this continent after months of overseas duty with a defense battalion.

The corporal saw Abemama bombed by Japanese planes last February. It is an atoll in the Central Gilbert Islands described by Robert Louis Stevenson as a "treasure trove of South Sea Island beauty." It lies 80 miles from Tarawa.

**Soldier of the Soil**

**V**ICTORY begins with the American farmer, working from long before sunset until long after nightfall. Upon him falls the burden of feeding the fighting forces... the civilian population... and hungry mouths in war-torn countries.

To the challenge of producing more food than ever, American soldiers of the soil have responded with heroic effort. Despite shortages of help and equipment, they have established records. They have contributed mightily towards winning the war.

Now you are asked to help your fellowmen in another way... to contribute money to give men in the armed forces needed recreation, to give books and sports equipment to prisoners of war, to

give nerve-shattered men in the merchant marine a chance to recuperate. To give unfortunate people abroad and at home a chance to have life, liberty, and happiness.

The dollars you can give are needed more than ever this year. Please give generously.
