Ideas for Making Bathroom Brighter

HERE are a number of ideas for making the bathroom gay and efficient. There are the shelves over the tub for extra towels and the corner shelves for bath salts or lotions; then there is the extra shower curtain to protect the wall and the shelves; with roses everywhere--on the shower curtains, the towels and the bath mat.

The shower curtains as well as the window curtains are made of blue sail cloth with roses cut from

a remnant of chintz and applied with the machine zigzagger, as shown at the lower left. The same chintz was used for rose appliques for both bath and hand towels as well as the bath mat. Here a quarter of an inch was allowed all around in cutting out the flowers and leaves and they were applied by hand, as shown in the upper sketch at the left.

NOTE: The spool shelves shown over the tub and in the corner are made with pattern No. 255. The curtain idea is from the new booklet "Make Your Own Curtains," which contains 32 pages of illustrated directions for making all types of curtains, draperies and valances. The pattern and book are 15 cents each postpaid. Address:

Kidneys Must Work Well--
For You To Feel Well
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.
If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.
Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.
Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.
