THE FIRST NATIONAL BANK OF PORTLAND announces a Loan Service designed to cooperate with the "Servicemen's Readjustment Act of 1944"—the "G.I. Bill" to make possible the purchase of a home, farm or business by returning veterans of World War II.

The entire state-wide facilities of this Oregon bank are available to veterans who wish to use bank credit under this plan... a plan whereby each veteran's individual problems will be given attention and the right loans planned to suit his particular needs and ability to pay.

As soon as government regulations covering the "G.I." Credit Program are issued, applications will be accepted by any branch of this state-wide bank. Regulations recently issued cover the home purchase plan. Those pertaining to farm or business financing are expected at an early date.

If you are in the service, just out, or have a relative in the armed forces, ask at the nearest Branch of The First National Bank of Portland about further details.
