

THE SUNNY SIDE OF LIFE

Clean Comics That Will Amuse Both Old and Young

If the whisks of your broom are worn so short that they no longer give clean service, cut all the sewing threads except the top row. Then when the straws become too short a second time, cut the top row of stitches and resew closer to the handle, using a fine wire if no needle is at hand.

Add a teaspoonful of household ammonia to a quart of water. Use this to sprinkle over ferns grown in the house once or twice a month. Ferns will take on a rich green color.

One high-wattage bulb is more economical than several smaller ones. One 100-watt bulb gives 50 per cent more light than four 25-watt bulbs and uses the same amount of current.

Kidneys Must Work Well-

For You To Feel Well
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.
Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.
Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulates the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.
