Camp White Needs Holly, Xmas Berries

Camp White needs holly and red berries for yuletide decorations at the Chapel, Red Cross Recreation rooms and for the Hospital. Sgt. Roger Lucas, gardener, called the USO to see if some of his good friends in Ashland would be interested in giving red berries from pyracantha and catanea aster shrubs for this occasion. If so please call Mrs. Lockhart, 7391 on Friday afternoon and leave names and addresses and Sgt. Lucas will call for these berries.

3,000 CARS IN THIS MONTH'S QUOTA

A total of 3,000 automobiles makes up the national quota of new motor cars available for sale this month—the same amount as in November. December passenger car tire quotas, however, will be 150,000 units higher, or 2,000,000 tires, than in the preceding month, OPA states. A slightly higher quota of truck tires spells little or no relief from shortages in this category.

This Christmas the war trains will roll —as usual

Out on the line, December 25 will be as busy as any other day on the Southern Pacific. It won't be much of a holiday for our men at the front, either. The enemy doesn't stop shooting just because it's Christmas.

This Christmas Day and night we shall keep the war trains rolling, just as we have kept them rolling every day and night since Pearl Harbor.

To all the travelers and shippers we served this year—our heartfelt thanks for your sympathetic understanding of our problems, and the cheerful way you accepted the inconvenience of wartime transportation.

In sending you the Season's Greetings, we join with you in praying that next Christmas will be celebrated in a world of peace.

Civilians! To avoid disappointment please don't plan a holiday trip on Southern Pacific trains. Let a man in uniform go instead.
