**Poppy Day To Be Observed Fri.-Sat.**

Poppies to honor Americas' dead warriors of the two world wars' will be worn in Ashland, Friday and Saturday, May 25th

and 26th. The Poppy which, we all, will wear on Poppy Day, are made by disabled veterans, with strength and health gone, they can not compete, for work, against the able-bodied, but they can make poppies, even in their hospital beds, earning, 1 1/2 cents, for each poppy, which is paid them by the American Legion Auxiliary. This work is of value, in aiding their recovery, keeps occupying hands and minds, breaking the tedium of long idleness; and restoring spirits crushed by hopelessness.

The funds derived from the poppy sale constitute the largest source of revenue, rehabilitation and child welfare work. Enables the Unit, to carry out a constructive program of aid to the disabled, to the dependent families, through out, the year. The need for relief work, which the poppy sale, the Auxiliary, steps in, where the government, can not reach. The benefits of the Poppy, reach out in many directions.

The Memorial flower, the Poppy, has become the symbol of the dead. It has become the sign, that the high ideals for which, brave young men gave their lives, still live, and are honored. More than ever before, Americans, will wish to wear the poppies, as a salute, to the dead soldiers' and their bereaved families, and as a financial aid to the living, but, disabled soldiers, and their needy families. These men and their families, are the chief concern of the American Legion and the Auxiliary. It is for their sake, that the volunteers are so eager to sell their poppies, with hope that the dimes and the dollars, contributed, will help to make their lot in life somewhat easier.

The following poem was written by Mrs. Chas. Gilbert, National Pres. of the American Legion Auxiliary. A Memory flower, red and deep Carry our message to those who sleep Beneath white crosses east and west Tell them as only you know best.

Their sacrifice is not in vain; Peace shall come to earth again Justice and honor shall endure. And sacrifice has made this sure So may they sleep in peace always And freedom live on in endless day.

**This Job Must Be Done NOW!**

Oregon must enlarge, repair and modernize colleges, medical school, and hospitals now. Present facilities are inadequate for needs of returning soldiers. The money for long delayed improvements is on hand—it means no extra taxes—only a YES VOTE by the people is necessary under the law.

The Senior Methodist Youth Fellowship group entertained the Intermediate Methodist Youth Fellowship group at a winter-roast with delightful drinks at the out-door-parlor at the Parsonage on last Sunday evening. Following the "eats" the young folks went into the parsonage where a worship service was conducted with Glen Durham as the leader.

The lesson study during the worship hour centered around the missionary work in India and many interesting things were told about the work of missionaries in the far distant country. Mr. and Mrs. John Billings are the sponsors of the senior group and Mrs. Cora Bruce and Mrs. Elma Baker of the Intermediates.

THE OLD JUDGE SAYS...

**MARY:** "Jim, didn't you say you wanted to ask the Judge something about grain, the next time you saw him?"

**JIM:** "That's right, I did, Mary. Is it true, Judge, that distillers recover part of the grain they use in making war-alcohol?"

**OLD JUDGE:** "That's absolutely true, Jim. Wherever the government has permitted distillers to purchase the equipment necessary to reprocess the used grain, at least 50% of the feed value (25% by weight) of the whole grain is recovered. It comes back to farms like yours in the form of premium-quality livestock feed . . . rich in vitamins B<sub>1</sub> and B<sub>2</sub>."

**JIM:** "Is the same thing true when distillers are permitted to make whiskey, Judge?"

**OLD JUDGE:** "Yes, every bit as true, Jim."
