New Drivers Licenses Not Needed This Year

Oregon driver's licenses, issued on or after June 15, 1941, need not be renewed this year, Secretary of State Robert S. Farrell said today. The 1945 legislature assembly extended the time of these licenses to June 30, 1947.

The numbers of all licenses thus extended bear the prefix "OR", Farrell said.

"Many drivers apparently believe they are required to renew their driver's licenses this year, but the act of the 1945 legislature extends the time these licenses are valid through the next two years," Farrell said.

The secretary of state explained it is not necessary that a new license card be obtained, showing the new expiration date. All enforcement authorities throughout the nation have been notified of the legislature's action in extending the time the present licenses are valid.

However, if the license card become mutilated, or the driver wishes a new card showing a change of address or personal description, he may make application to the secretary of state for a duplicate card which will be issued for a fee of 25 cents. Farrell emphasized, however, that drivers are not required by law to obtain a new card to show a change of address, a change in personal description or to show the new expiration date.

Oliver E. Dews, 470 Siskiyou, Boulevard, Ashland, Oregon, has been promoted from second to First Lieutenant, in the Weather Wing, Army Air Forces, at Asheville, North Carolina. He is the son of Mrs. Ruth Dews of 470 Siskiyou. Prior to entering the service, Lt. Dews was a student at Stanford and the University of Oregon during the years 1940 to 43. He has a degree from the University of Oregon. The Weather Wing exercises control over the AAF Weather Service in the United States and most of the western hemisphere and serves as administrative clearing house for Weather Service Operations throughout the world.

LOCALS

The Methodist Daily Vacation Bible School got off to a good start yesterday for its second week. Many of the boys and girls have a perfect attendance and are endeavoring to close school next Friday with a perfect attendance for the two weeks. They are looking forward to Friday evening's program which they are to offer. They will have exhibits of their hand-craft work, and will give dramatizations, and pantomines, and music. Of course this program is to be open to the public.

Monday night, June 11, at the home of Mr. and Mrs. C. H. Wines a farewell party was given by the Congregational Church choir for Norman Restad and his wife, Helen, who are leaving soon to visit relatives in the east.

Petty Officer 1/c Restad has just returned from 33 months active duty in the Atlantic, and is waiting resignation.

Mrs. Restad, formerly Helen Baker, has been active in the choir and was presented a gift of lovely note paper, as a token of the appreciation of the choir.

Games were played throughout the evening and refreshments consisting of punch and cake and cookies were served later in the evening.

THE OLD JUDGE SAYS...

FRED: "Is it true, Judge, that a war can't be won without the use of war-alcohol... the kind the beverage distillers have been producing for the government for over two years?"

OLD JUDGE: "That's right, Fred. It is a basic ingredient in the smokeless powder used in virtually every firearm from a pistol to a 16-inch gun. And, in addition, it plays

a more human role. The medical supplies which our military doctors use to alleviate pain, combat infection, save lives are prepared with war-alcohol."

FRED: "No wonder, then, more and more people are recognizing the great contribution our beverage distillers have made to the winning of the war with their double-duty product."
