Research Finds New Carrier of Disease

With the season for late summer flareups of sleeping sickness now here, health authorities today reported that chicken mites have just been added to the list of carriers of this killing disease of horses.

The virus of sleeping sickness was isolated from chicken mites on a farm where horses had come down with sleeping sickness, the American Foundation for Animal Health reported.

"It is believed that the mites pick up the virus from chickens, and in turn transmit the disease to people as well as to horses,"

for future security, too!

Liberated Army Nurse Admires Her New Outfit

First Lieutenant Rita G. Palmer, Army nurse from Exeter, New Hampshire who spent three years as a prisoner of the Japanese in Santo Tomas, Manila wears the Purple Heart, the presidential unit citation with two oak-leaf clusters, the Southwest Pacific Theater ribbon with two campaign stars, the Philippine Defense ribbon, the Philippine Liberation ribbon, and all overseas service stripes.

the report said. "Veterinarians had previously found that the virus could be harbored from year to year by birds and poultry, and then passed on by mosquitoes, ticks, and the assassin bug. Mites are now added to this list of 'vectors'.

"In view of the late summer and early fall flareups of sleeping sickness in the past several years, farmers should take every step possible to protect their animals now against such outbreaks. Vaccination is recommended in those areas where the disease has appeared before. Efforts should be made to eliminate biting insects from stables, to keep horses and mules out of lowland pastures, and to protect them with nets while at work."

Navy Will Accept 18-38 Year Old Men

Reversing a ruling of nearly three years standing, the Navy is now accepting voluntary enlistments in the age groups formerly only eligible for military service through selective service. Not since December 5, 1942 has it been possible for a man between

18 and 38 to voluntarily enlist in the armed forces. This was the announcement of a new policy of the Navy Department made by Chief Stewart, Recruiter-in-charge of the Navy Recruiting Station in Medford.

Under the new plan it will now be possible for men between the ages of 17 to 50½ inclusive to enlist in the Navy for peacetime service. Those in the 17 to 30 bracket inclusive, may be enlisted in the Regular Navy while the older age group will be eligible for Naval Reserve service.

"Since the announcement of the capitulation of the Japs we have had numerous inquiries from men desiring to enlist in the Navy," Chief Stewart said. "Now we are prepared to answer all questions regarding service in the peacetime Navy and to complete enlistments without further reference to the man's draft board. With such enlistments will go all the advantages that accrue to those desiring to make the Naval Service a career. The Navy Recruiting Station in the P O Building in Medford, Oregon is open daily to answer question of those interested."

Presbyterian Church

130 North Main Street
"A Friendly church for thoughtful People."
