Greyhound Announces

NEW LOW FARES

to

Los Angeles

AND OTHER CALIFORNIA POINTS

Pacific Greyhound Lines is applying to the Interstate Commerce Commission to reduce interstate bus fares between Oregon and California points, and authority to do this is expected the latter part of October. These reductions are in line with Greyhound's policy of providing the finest transportation service at the lowest possible fares.

For Example:

New Low Fare to Los Angeles will be \$8.80 a reduction of \$1.35

If you do not have to travel now, postpone your trip and take advantage of these reduced low fares.

ADDITIONAL SERVICE

With the lifting of wartime restrictions, Greyhound is making further improvements to its service—increasing the number of schedules and reducing running times. As additional services are added they will provide a wider choice of departure times for your convenience—at low fares.
